The mining news from the upor Frazer river were encouraging. The laborers from the lower country had all gone to the mines.

The news from New Mexico report the Indians all quiet.

A destructive conflagration took place at Pittsburgh on last Saturday among the steamers, by wich ten were destroyed .-The loss is estimated at \$155,000. The flames did not reach the warehouses.

Mr. Bishop of Connecticut, late member of Congress, has been appointed by the President, Commissioner of patents, and Judge Greenwood of Arkansas Commissioner of Indians affairs.

## The Forney Junto.

The disappointed office-seekers whom Forney marshalled at Altoona, on the 4th inst, under the name of a State Committee, by their proceedings, remind us not a little of a collection of tom cats on the roof of a wood-shed, which usually results in a great deal of noise, some fur, and a general scamper into the neighboring alleys, garretts, cellars and other obscure feline hiding places.

However, while in session, the caterwauling committee took decided steps towards a redress of their grievances; which and fury as has been vented by them, to cover their ingnominious, "back out"
