We learn that James White an aged citizen of Karthaus tp., committed suiode one day last week, by cutting his throat with a Knife.

We have learned no cause for this rash

On Monday last John Cathcart of Knox tp., was lodged in our jail; charged with having shot his wife on Saturday last, the wife lived about 6 hours, the ball having entered her left breast, and lodged against the backbone.

On Wednesday last Augustin Rimbley of Girard township, had his leg broken, while felling a tree, which flew backstruck his leg and broke it about half way between the ankle and knee. Dr. Potter was immediately summoned who gave it the proper treatment, and the man is do ing well.

We understand that the members of the Methodists Episcopal Church belonging to the Clearfield and Curwensville station, intend holding a Camp-meeting E. Bogle both of Brady tp., upon the old ground near Josiah R. Reeds Esq.; commencing on the 24th day Esq., Mr. Levi Laird to Miss Margaret of August. Where all well disposed persons are cordially invited to attend.

What is the use of being poor when you can make from \$600 to \$1,000 a year by acting as agent for the Erie Sewing days. "vim" in them, would do well to write to clearfield Boroagh. Mr. J. N. Boylan, at Milan, Ohio, and get the Co.'s confidential circular to agents.

We had two visits last week from coursed some fine music to the citizens of our town. The gentlemen composing this Band seem to understand their business very well. We understand that they will be neutra! in every thing except musick, during the campaign. They are willing to give the Politicians as much music as ty Commissioner, subject to Democratic they want during this campaign, provided rules. always, that the dimes are on hand.

Ber By reference to our Advertising columns, it will be found that Messrs Moore & Etzwiler, have received a large lot of seasonable goods; and we can assure the public that they have indeed a fine stock, and cheap too. This can easily be inferred from the fact that they Wm. Weight, sen., are not afraid to advertise them. Call J. D. Denning, and see them before purchasing elsewhere.

SERIOUS ACCIDENT ..- On Sunday last Mr Daniel Welch, Miss Margarie Welch and Miss Rebecca Reed, started in a Buggy to go to Bloomington to church, when near the place the Horse took fright and ran

Esq. for Assembly, Alexander Murray of Girard tp. for county Commissioner, and Ellis Irvin Esq. of Goshen tp. for Aucitor.

They are all good men; but in a few weeks more the Democrats will present ject to Democratic rules, to the people of this District and county a set of better men, who will of course be elected by large majorities. The Republicans only nominated men to have them defeated by the Democrats, and we wonder why they go to so much trouble for so small pay.

PRIMARY ELECTION. -The Democrats of Clearfield county, will meet at their res- party. pective election polls in the several Boroughs and townships on Saturday next, to nominate by ballot, one person for Assembly, one person for county Commissioner and one person for county Auditor.

The Standing Committee designated no hour at which the polls should open and ocratic Rules. close; but it has been usually opened heretofore at 2 o'clock, and closed about 7 o'clock P. M., and we presume it will

be generally understood so. We hope a general interest will be ta-ken in the matter. By refference to our Democrat.
