

Home Affairs.

Clearfield, Pa. August 20, 1860.

The brick work of the new Court House is now nearly completed to the square, and it is the intention of the contractor to have it under roof by the first of October next.

There is a lawyer in our town so excessively honest, that he puts all his flower pots out of doors over night, so determined is he that everything shall have its just due.

By reference to our neighboring columns it will be seen that Mr. Nichols, and Mr. Danver, and Mr. Lather are all offering to sell some valuable real estate, which they will sell upon reasonable terms.

Fair Grounds.—The officers and managers of our approaching County Fair; are making fine progress in preparing the fair ground, by the close of the present week the whole ten acres will be surrounded by a close substantial fence 8 feet high, the "Ring" is already completed, and is exactly one third of a mile in circumference—three rounds to the mile, and 2.45—or more to make it in.

The Warren Ledger says the people of that county have a happy faculty of doing things Brown, it seems that they are well blessed with Brown office holders, Mr. Brown is President judge; Mr. Brown is associate judge; Mr. Brown is Sheriff;—and one of their best practicing lawyers is Mr. Brown too!—all however, different men, but all descendants of old Mr. Brown. The politics of that county are becoming very Brown too, so much so that the Blacks are in the ascendant several hundred votes. It didn't use to be so!

Rail Road.

It will be observed elsewhere in our paper this week; that the "Phillipsburg and Waterford Rail Road Company" have completed their organization, and an effort will be made at once to put Engineers upon the route of this Road.

An excellent set of men have been elected Directors and officers, they have plenty of cash and energy too. If they fail in putting a Railroad through our County, it will be needless for others to try the experiment for the next quarter of a century.

A SUDDEN DEATH.—On Thursday last considerable excitement was raised in our town—to the effect that a man was lying down in the Turnpike about one and a half miles east of town. A number of persons proceeded to the place where the man was found. It was soon ascertained that the vital spark had fled, and that he must have fell down in his tracks, he was immediately brought to town, an Inquest was held by M. A. Frank Esq., which rendered a verdict that he died from a visitation of Providence. During the setting of the Inquest, the body was identified by several persons as that of a man named Frederick Schindler, who kept Bar at Mrs. Ward's in Tyrone. On Friday he was decently buried in the cemetery east of town.

A BOLD ROBBERY.—On Saturday about 4 o'clock p. m. the Dwelling house of Jason Kirk near Lumber City was entered by an unknown man, and \$1080 stolen out of a chest—eighty dollars being in silver and the balance in Gold.

Mr. Kirk was not at home at the time; the scoundrel adopted a stratagem to make sure work, he first went and turned a lot of cattle into the cornfield, and then went to the house, and told them that the cattle were in the corn! a boy and a girl—being that were about the house at the time, started with full speed for the cornfield; and in their absence the thief broke open three chests, in one of which he found the money.

A reward of two hundred dollars is offered for the apprehension of the robber.

Elk County.

At a meeting of the Elk co. Democratic Committee, held Aug. 20th, the following resolutions were passed.

Resolved, That we have undiminished confidence in the principles of the Democratic party as enunciated in the Cincinnati Platform, and endorsed by the Reading Convention.

2nd. That we heartily and cheerfully concur in the action of the State Democratic Committee at their late meeting held at Cresson, and would earnestly urge the Democrats of Elk county to rally to the support of the electoral ticket nominated at Reading.

3d. That in the Hon. Henry-D. Foster, our nominee for governor, we have a candidate who is in every sense well qualified to fill the station, and deserving the support of every opponent of that sectional and unscrupulous party who are seeking to seize the reins of Government of this State.

4th. That we cheerfully and cordially recommend to the Democratic voters of Elk county to give an active support to James K. Kerr our nominee for Congress; feeling we can recommend him as a gentleman well qualified for the position to which he has been nominated.

5th. E. R. Brady, and A. M. Benton, Esqs., are entitled the support of the party as candidates for Representatives.

6th. That it is the duty of the Democratic party to effect a thorough organization of the party, and that we recommend to the Democrats to arouse themselves to the necessity of a complete organization of the party in every Township, and neighborhood in the county.—A complete organization, and a united effort is essential to the welfare of the party.

7th. That we labor under great inconvenience for an organ of the party in this

county, and would recommend to the Democratic citizens of the county to make an effort to establish a Press for the purpose of promulgating the doctrines, and advancing the interests of the Democracy of this county.

8th. That in order to carry out the above recommendation; that a committee of three be appointed by the chair to make the necessary arrangements to obtain, and establish a press believing the success of the Democratic party, depends in a great measure on the dissemination of the principles of the party.

9th. That we cordially and cheerfully endorse the nominations made by the County Convention to day, and would earnestly urge the party to make decided effort to triumphantly elect the ticket feeling confident that we can safely recommend them as unflinching Democrats, and to discharge the duties of the offices for which they are nominated.

10th. That a Committee of Vigilance be appointed in each of the different Townships in the county.

11th. That the above proceedings be published in all the Democratic papers of this Representative District.

George Dickinson, Dr. C. R. Earley, J. S. Hyde, George Weis, M. L. Ross, Charles B. Gillis, Sec'y. The following Vigilance Committees were appointed for the several Townships. Benning, George A. Rathburn, Charles Ritter, Joseph Seel. Bevier, Thomas Overturf, H. D. Derr, Julius Jones. Fox, J. C. McCallister, R. T. Kyler, Hugh McCready. Jones, Michael Weidert, J. L. Brown, Jacob Keeper. Reliable Douglas News.

We clip the following from the Dallas Star, a Douglas paper published in Illinois. We give it to our readers without note or comment, only saying that we think "Rooback" in his palmist days could not have matched it:

How Pennsylvania will go?—The Old Keystone may be set down as morally certain to give a large Democratic victory in November next. The Black Republicans concede as much. The Philadelphia Pennsylvanian, formerly a Breckenridge paper but now going it strong for Douglas, says:

"The Democracy of Pennsylvania will elect the Douglas electors by 30,000 majority over all. Breckenridge with all the aid of Buchanan, cannot poll over 50,000 votes.

"The Lincoln vote will not be over 150,000 votes at the outside."

"Douglas will get 200,000 at the very lowest, but with the Bell ticket he will get 270,000."

"You may rely upon Pennsylvania for Douglas as upon the Holy Bible."

This may be taken for truth in Illinois; but here in Pennsylvania, it is considered a whopper.

We learn from the Pat. & Union that the Republicans of Delaware county have nominated John M. Broomall for Congress He received 49 votes, and John Hickman 12. Two years ago Mr. Broomall was put forward by Delaware county but was defeated in consequence of the Republicans of Chester county going over to Hickman, who ran as an anti-Lecompton Democrat. It is probable that Mr. Broomall will not yield to Hickman, and that either a new candidate will be selected, or, if both persist in running, that the Democratic candidate will be elected. Either way there is a fair prospect that Hickman will be beaten.
