THE PART OF A LOD ME AND MADE AND ADDRESS.

where were the state of the sta i shired in tires Haps. It is such at home these haps not and Mrs. Miles on extreme hash. John soid, Tem, put him through he field socke, if the home should broug window your toblayl way work at Eath Bordman's he was not those. Went again for Cablaceit to the Hape shought or going for Mex Miles, but was affedd Martha might outline of I had to go to Lumber City. 1 then same honce and Martha was dead.

Constant. Cap snapped twice and got-rid not go off. He took no caps with him, gun stood at foot of the best I was on, to the left of the door as you go in.-I was sitting directly opposite door .--Shet pouch hung opposite the door also. I was on the foot of bed when the gun-snapped and could not see John. When it went off he was just stepping in the door, and gan was lying across his right The children were lying on the 41101. floor. I placed Samuel Ray in the exact position she stood when gun went off.-My shirt was asked for at inquest, 1 told. no Juror it was toen and the ball passed house. Thos B Templeton was before ualong the skin without touching it. No as a witness, I heard his testimony there one asked as for it there. Neither John and here they do not differ, in or I refused to send for Mrs. Miles. About Court they were more fully drawn 10 miles to tilen Hope. My shirt where out than they were before the ball passed, was torn or chafed. The new impost-Thomas Kathcart was before us tear was crosswise. Never told any one also. The inquest desired him to place there was a general fight. Don't know himself and others in the position the pardistance to Gien Hope between the way of thes occupied at time of shooting. He amount to much, as many a one was shot down in war and nobody thought anything of it,

but did tell them that the back was torn out.

Told Dan Paulhannus and Jim Haines that night that I was shot, also Dr. Fetser could see nothing of it if we had it. The and showed him the wound. Heard gun cut on his back could not have been made snuts twice.

Mrs. Nancy Katheart sworn - I was at "God bless me what is that?" and run pened, and said "that unfortunate gun," the floor. Martha said, 'John dear, I'll never get Nancy y over this,' and he answered, 'Martha don't talk that way." She said the pig dung pened and she told me John had picked up the gun and went to the front door and snapped it twice, then came from ed by her for the shot pouch the gun house went off, npon which she said her children were shot, but John said, "No Martha it is you that is shot.

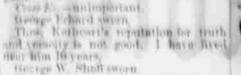

Thos, Templeton then came in. He he had no one to send, and asked Temer at Mill port.

I went there about five o'clock and she Shoff,

died obout 11. She put up her two hands and prayed it had good lock spring, was a double trigfor God to spare her life to raise her two ger. The guard was not broke at the orig-
