October 24, 1860.

We invite the attention of the afflicted to the Card of Madame Schwann's Remedies...

We learn that the Public School House near Robert Owens' in Lawrence township...

We call special attention to the Advertisements of Merrell & Bigler in another column.

We expected to furnish our readers this week with the official vote of the several counties of the State for Governor at the late election...

For A. G. Curtin, 262,256 For H. D. Foster, 230,200

The vote polled for Foster is 310 votes less than was polled for Buchanan in 1856...

The Republican majority in Ohio is about 8000, one half less than it was thought to be at first...

Hear what the Cleveland Plaindealer says about negro voting at the late election...

"Full blooded negroes voted in several of the wards yesterday. At the Second ward, negroes as black as coal peddled tickets."

"Sheep's meat is too good for negroes." is an absurdity. Here on the Western Reserve, roast beef is hardly good enough for them.

What we seen. We were never more agreeably disappointed in our life than we were during the progress of our "Fair" last week...

The magnificent display of Apples surprised us more than anything else on exhibition...

Hon. J. P. Hoyt exhibited a water-wheel which we believe will supercede all now in use...

Messrs. Fenton & Spencer exhibited a cider mill and press which exceeds anything ever before in use.

John Russell exhibited a Harrow—something every Farmer needs—which is bound to harrow up the feelings...

A number of other useful agricultural implements were also on exhibition by farmers having them in use...

The ladies department was complete, and their smiling faces told that they were aware of it too.

We have heard quite a number of young Gents making sly inquiries as to what Miss got a Dip for...

It is stated that the Hon. Edward Everett is about to marry the widow daughter of Judge Pettigrew...

MARRIED. On the 16 instant by the Rev. J. R. Focht, Mr Lorenzo Bloom to Miss Margaret McGehee...

PHILADELPHIA MARKETS. The favorable tenor of the foreign advances by the Africa, netting a material advance in Liverpool...
