The Oil Business.

We observe by a late number of the nango Spectator, that the oil excitement still on the increase. The total number Lincoln over Reading ticket, wells now in operation and pumping, stated at 74, from which is pumped dai-1523 barrels of oil, being about twenty rels to each well.

We are well aware that our hest of the grant flower flow feet in depth, and yields 10 barrels mas or New Years, if not sooner.

here are the only wells, we believe, it are less than 100 feet deep.

here are quite a number of wells that ld but 3 or 4 barrels a day. The best on the Clapp farm; it is 155 feet ep, and yields 50 barrels per day.

The average depth of the wells is about leet, the average depth of the Alle my river wells is about 112 feet and Id about 25 barrels each per day :owing clearly that the River wells are most productive, and consequently most profitable.

ATTEMPT TO BREAK JAIL - Last night, out 12 o'clock, Mr. Richards, the jailor, awoke by a noise in the room occue of Steddard.
