A little London porter.

A NOVELTY in the ART WORLDII- 1860.7

Secured by letter a patent in the United States,
England, France and Belgium.
The American Photographic Porcelain Company, No. 781 Broadway, New York, having secured their novel and ingenius invention by American and European patents, are fully pre-pared to execute all orders for

Miniature Likenesses of Persons on China,
presenting all the attractive and advantageous

features of ordinary photographs, the brilliancy and finish of a water-color drawing, and a hith-ento muttained quality of durabity, by being rendered as imperishable as the natural proper-ties of the articles upon which they are trans-

As the patented process of the Company enaof household utility, such as Urns, Vasus, Break-fast Cups, Toilet Articles, &c.; thereby securing faithful pertraits and furnishing a unique and exquisite style of ornamentation of articles in

In order to furnish facilities for the gratification of the popular taste, and to meet the wants of those patrons of the one arts desirous of baving portraits on Porcelain, the Company have imported from Europe a collection of superior percelain goods, manufactured to their own order,

which they will sell at cost prices.

As the American Company are owners of the patent right, and consequently the only persons authorized to use the process, they have determined, in order to afford people in every section of the Union an apportunity to possess portraits on China, to make the following proposition to residents in the country, who are unable to visit ersonally the Atelier and Galleries in New

Pe sons sending a photograph, ambrotype, or daguerreotype to the office of the Company in New York, accompanied by \$5, will receive in return by express, free of charge, a richly orannented Breakfast Cup and Saucer, with the por-

trait transferred thereon By transmitting a daguerrootype and \$10, they will receive in like manner a handsome French Vase or Toilet Article, with the portrait repro-duced by the patented process.

By sending a pair of daguerrectypes and \$15, they will receive in return a pair of rich Sevres Vaser, with the portraits executed equal to min The Slanderer.

There are two shameless characters in \$20 to \$100 the pair.

the flatterer. One destroys your honest lean Photographic Porcelain Co., 781 Broadway,

A clight in the ruin of a fair name, and distices a just representation of anything.

The other is a base, crawling, cringing about to be married, both male and female, in everything concerning the physiology and relations of our sexual system, and the production or retch, whose superfluage of praise is never given but for the purposes of deception. But the former is the more infantous of the two. The latter is meaner by nature. Not so the other; he is deliberately had. The prince of the lower regions has his name, because he is a liar.—Thieves, murderers, and all other crimisals are his victims. The slanderer alone the house. It will be sent to any one on receipt to no fortring, including all the new discoveries never before given in the English language, by WM YOUNG, M. D. This is really a valuable and interesting work. It is written in plain language for the general reader, and is illustrated with numerous engravings. All young married people, or those contemplating marriage, and having the least impediment to married life, should read this book. It discloses secrets that every one should be acquainted with; still it is a book that must be locked up, and not lie about the house. It will be sent to any one on receipt the house. It will be sent to any one on receipt
