PURIFY THE BLOOD.

MOFFAT'S
VEGETABLE LIFE PILLS
AND
PHŒNIX BITTERS.

The high and envied celebrity which these pre-eminent medicines have acquired for their invariable efficacy in all the diseases which they profess to cure, has rendered the usual practice of puffing not only unnecessary, but unworthy of them. They are known by their fruits; their good works testify for them, and they thrive not by the faith of the credulous.

IN ALL CASES of Asthma, Acute and Chronic Rheumatism, Affections of the Bladder and Kidneys, Billious Fever and Liver Complaints.—In the south and west, where these diseases prevail they will be found invaluable. Planters, Farmers, and others, who once use these medicines will never afterwards be without them.

Dyspepsia.—No person with this distressing disease should delay using these medicines immediately. Eruptions of the skin, Erysipelas, Flatulency, Fever and Ague. For this scourge of the western country these medicines will be found a safe, speedy, and certain remedy. Other medicines leave the system subject to a return of the disease—a cure by these medicines is Permanent.—Try them, be satisfied, and be cured.

Mercural Diseases.—Never fails to eradicate entirely all the effects of mercury infinitely sooner than the most powerful preparation of Sarsaparilla.

Night sweats, Nervous Debility, Nervous Complaints of all kinds, Organic Affections, Palpitation of the Heart, Painter's Cholic.

Piles.—The original proprietor of these medicines was cured of Piles of 35 years standing by the use of these Life medicines alone, Worms of all kinds, are effectually cured by these medicines. Parents will do well to administer them whenever their existence is suspected. Relief will be certain.

THE LIFE PILLS AND PHŒNIX BITTERS
Purify the blood, and thus remove all disease from the system. A single trial will place the LIFE PILLS and PHŒNIX BITTERS beyond the reach of competition in the estimation of every patient.

A NOVELTY in the ART WORLD!—PHOTOGRAPHY UPON PORCELAIN.
Secured by letters patent in the United States, England, France and Belgium.

The American Photographic Porcelain Company, No. 781 Broadway, New York, having secured their novel and ingenius invention by American and European patents, are fully prepared to execute all orders for

Miniature Likenesses of Persons on China,

presenting all the attractive and advantageous features of ordinary photographs, the brilliancy and finish of a water-color drawing, and a hitherto unattained quality of durabity, by being rendered as imperishable as the natural properties of the articles upon which they are transferred.

As the patented process of the Company enables the reproduction of photographs, not only on plain surfaces, but upon such as are round or of any degree of irregularity, portraits can be reproduced with faultless accuracy and delicacy of delineation, upon Porcelain wares of any description and dimension used as articles of luxury or of household utility, such as Urns, Vases, Breakfast Cups, Toilet Articles, &c.; thereby securing faithful portraits and furnishing a unique and exquisite style of ornamentation of articles in domestic use.

In order to furnish facilities for the gratification of the popular taste, and to meet the wants of those patrons of the fine arts desirous of having portraits on Porcelain, the Company have imported from Europe a collection of superior porcelain goods, manufactured to their own order, which they will sell at cost prices.

As the American Company are owners of the patent right, and consequently the only persons authorized to use the process, they have determined, in order to afford people in every section of the Union an opportunity to possess portraits on China, to make the following proposition to residents in the country, who are unable to visit personally the Atelier and Galleries in New York:

Persons sending a photograph, ambrotype, or daguerreotype to the office of the Company in New York, accompanied by $5, will receive in return by express, free of charge, a richly ornamented Breakfast Cup and Saucer, with the portrait transferred thereon

By transmitting a daguerreotype and $10, they will receive in like manner a handsome French Vase or Toilet Article, with the portrait reproduced by the patented process.

By sending a pair of daguerreotypes and $15, they will receive in return a pair of rich Sevres Vases, with the portraits executed equal to miniature paintings; and, in like manner, portraits can be reproduced on porcelain wares or Vases of every quality of finish, ranging in price from $20 to $100 the pair.

N. B.—Be particular in writing the address, town, county, and State distinctly.

All letters to be addressed to "Manager, American Photographic Porcelain Co., 781 Broadway, New York." nov7-3m
