Col. E. W. Hall, of the Senate, and Samuel L. Lawrence, Esq. of the House, will please accept our thanks for valuable public documents.

Every body goes to John Troutman to buy his chairs. Query—been so he makes the best and cheapest in the country. Call and see him.

Fire.—On Wednesday last, a house in Pike township, belonging to Benj. Carr, and occupied by John Anderson, was entirely destroyed by fire. No men being about at the time. None of the furniture was saved except what little Mrs. Anderson was able to carry out. The amount of loss we did not ascertain.

We learn that the Post Office at Bloomville is now vacant—the former incumbent, John Owens, having resigned his position as Postmaster. We presume, however, that Abraham will not let our neighbors do without a post office at that place, as a large portion of county is supplied from that office.

TRUSTING IN THE UNION AND KEEPING THEIR POWDER DRY.—The volunteer companies of Caroline county, Virginia, have been armed with rifles and cartridges which will kill at a distance of one thousand yards. The politicians of the Old Dominion have evidently taken a lesson from Louis Napoleon. They think that peace talks are more effective when one party is on a war footing.

CONFERENCE APPOINTMENTS FOR 1861.—The following appointments have been made by the East Baltimore Conference for our county for the ensuing year. T. D. Gotwalt, Clearfield and Curwensville, 8. Creighton, and J. W. Olwine, Phillipsburg, A. J. Bender and D. McClaeskey, New Washington, J. S. Lee and L. D. Watson, Glen Hope.

Mr. Spotswood goes to Altoona, Mr. Kirby to Williamsburg, Mr. Mendenhall to New Bloomfield, and Mr. Wilson to Newburg.

From Kansas.—We invite the attention of our readers to an extract from a letter, in the possession of a gentleman in our town. We have heretofore expressed our doubts in reference to both "bleeding" and "begging" Kansas, believing that thousands of dollars have been contributed towards the sufferings in that State, when in reality nothing of the kind has been necessary.

Lynchburg, Doniphan County, Kansas, March 16, 1860.

There are thousands of bushels of wheat here from different parts, for sale, but for this part, I think it a good deal of a waste, for there are men getting seed, that are worth \$50,000 and don't care a cent for it. For myself I do not care, but I don't want you to give one dollar to the people of Kansas, for it is a great humbug, there are plenty here that will not work if times are good.

The News.

It is announced that on Saturday last the President issued the order to Major Anderson to put his command in readiness to evacuate Fort Sumter, upon the arrival at that place of a United States war steamer.

Col. Lamont, of Illinois, the confidential friend of the President, was sent bearer of despatches to Major Anderson.

The evacuation will take place upon the arrival of the steamer, which has been dispatched by the Secretary of the Navy.

There is no intimation whatever, on the part of the South Carolina authorities, that any attempt will be made to prevent the evacuation, in such a manner as the United States Government have seen fit to employ. Major Anderson will salute his flag and embark with his command.

Major Anderson is ordered to report North.

Gov. W. Scranton, member of Congress from the Luzerne district died at his residence in Scranton, on Monday last.

Ex-Gov. Bigler arrived at his home last night. A large number of his neighbors headed by the Washington Cadets, Brass Band gave him a public serenade at his residence.

W. A. Wallace, Esq., on behalf of the citizens, expressed the unfeigned gratitude upon the return of their fellow citizen to his home.

The day, replied in a few appropriate remarks, after which the party dispersed. Belonging from Fort Pickens state that the garrison there is short of provisions, and can hold out but a short time longer. None but official communication is permitted at Pensacola, and the squad cannot reinforce the Fort nor obtain supplies. Appearance indicate that the long the government will also be compelled to abandon Fort Pickens to the rebels.

Government is said to be in receipt of reports, stating that the independent Texas has sent Commissioners to Mexico, Arizona, Sonora and Chihuahua, to induce the people of those States to join their fortunes with the South.

A New Bank.—We have been credibly informed, that a branch of the "Farmers and Mechanics" Bank of New Jersey has been established not a thousand miles from Ansonville, but, we advise those engaged in circulating their spurious trash, that a number of our citizens, including the Sheriff, are striving to discover the President and Cashier of the institution, for the purpose of depositing them in the office, lately occupied by John Cachert, in this in this Borough.

A considerable amount of this money has been put in circulation in this county lately, we advise those engaged in the business to redeem their issue, and abandon their system of Banking, and find an occupation more in keeping with the laws of the Commonwealth.

SEWING MACHINE.

PRICES FROM \$40 to \$70.

The BOUDOIR SEWING MACHINE, an engraving of which is here presented, has now become a recognized favorite wherever it has been introduced, and is by all means the best, as well as the handsomest, low-priced Sewing Machine now before the public.

No. 1.—A small and very neat Machine for Family use.

No. 2.—A large Machine for quilting heavy work and for Plantation use.

This Machine is much admired for its simplicity, and for its reliability and durability it is unsurpassed. A child twelve years can run it with ease; and yet it will sew from the coarsest cloth to the finest Swiss. There is no trouble of winding the thread, as it is taken from the spool. It has no belts to give trouble, and will run backwards as well as forwards, and still sews equally perfect, and without danger of breaking needles. It runs by friction, and by closing the box over it, it is thrown out of gear. In fact, we have no hesitation in recommending it as the best family Sewing Machine in use.

The following Premiums Awarded the above Machine:

At the Fair of the Franklin Institute, 1858, the First Premium.

At the Pennsylvania State Fair, at Philadelphia, September 24, 1859, the First Premium—a Diploma.

At the Pennsylvania State Fair, held at Wyoming, 1860—a Silver Medal.

For the best Double Thread Machine, at Lancaster County Fair, held October, 1859—a Silver Medal.

At the Maryland State Fair, held at the Maryland Hotel, Baltimore, Md., October, 1859, under strong competition, a Silver Medal was awarded to this Machine.

At the New Castle County Fair, held at Wilmington, Delaware, October, 1859—a Diploma.

The above Machines are manufactured by CHARLES W. HOWLAND, Wilmington, Del.
