AYER'S Sarsaparilla

FOR PURIFYING THE BLOOD.

And for the speedy cure of the following complaints:

Scrofula and Scrofulous Affections, such as Tumors, Ulcers, Sores, Eruptions, Pimples, Pustules, Blotches, Boils, Blains, and all Skin Diseases.

Dayton, Tio., May 1st, 1860.

J. C. Ayer & Co., Gentlemen: I feel it my duty to let you know what your Sarsaparilla has done for me. Having inherited a Scrofulous constitution, I have suffered in various ways for years. Large sores broke out on my hands and arms, which defied all the remedies to which I had access, until your Sarsaparilla was employed. This has entirely cured me, and my skin is now as clear as it ever was. Nothing within my knowledge equals it for those terrible derangements.

Edward S. Marrow, of Newbury, Ala., writes, among various items, on one of the females by whom he had been cured of the most loathsome scrofula, that she had suffered for years, and had at length been completely cured by your Sarsaparilla. Our physician thought nothing else could afford relief, but he advised the use of Sarsaparilla as the last resort before resigning herself to the grave. It proved effectual. After taking your remedy there was no symptom of the disease remaining.

Syphilis and Mercurial Disease.

New Orleans, 25th August, 1860.

Dr. J. C. Ayer: Sir, I cheerfully comply with the request of your agent, and report to you some of the cures I have realized with your Sarsaparilla.

I have cured with it, in my practice, most of the diseases for which it is recommended, and the effects truly wonderful in the cure of Syphilis and Mercurial Disease. One of my patients had syphilis in his throat, which, were you to look into, you would see that the disease had destroyed the roof of his mouth. Your Sarsaparilla cured him in five weeks. Another case was that of secondary symptoms in his nose, and the use of a few bottles of your Sarsaparilla cured him entirely. In fact, every case of Syphilis or Mercurial Disease that has come under my notice, and I have treated many, has yielded to the use of your Sarsaparilla. Indeed, I would not consider the health of any patient entirely restored who had taken Mercury, unless he had also taken your Sarsaparilla to neutralize the effects of the Mercury upon the system. I have also cured with your Sarsaparilla some very obstinate cases of Scrofula, Erysipelas, Rheumatism, Dropsy, Liver Complaint, Dyspepsia, Female Diseases, and Debility, and have found it to be the best blood purifier we have ever used in this climate. Yours truly,

ALFRED B. TAYLOR, M. D.

St. Anthony's Fire, Rose or Erysipelas, Tetter and Salt Rheum, Scald Head, Ringworm, Sore Eyes, Dropsy.

Dr. Robert M. Preble writes from Salem, N. C., Sept., 1859, that he has cured an incurable case of Dropsy, which threatened to terminate fatally, by perseverring use of our Sarsaparilla, and writes us that he has also cured many bad cases of Erysipelas and Scrofula. Mahlon Pennypacker, Esq., of Phoenixville, Pa., writes that he has used our Sarsaparilla in his family for Erysipelas, and that he considers it the best medicine he ever saw. Mr. Jones, of Bellefonte, Pa., writes that he has cured many bad cases of Scrofula and Erysipelas with your Sarsaparilla. Others, who live in the vicinity, have used it with like success.

Bronchocele, Goitre or Swelled Neck.

Zebulon Sloan of Prospect, Texas, writes: "One of your Sarsaparilla cured me from a large and dangerous swelling on the neck, which I had had for over two years."

Leucorrhœa or Whites, Ovarian Tumors, Uterine Ulceration, Female Diseases.

Dr. J. B. S. Channing, of New York City, writes most cheerfully unsolicited, to the request of your agent, saying I have found your Sarsaparilla a most valuable alterative in the cure of many diseases peculiar to females, and that he considers it the best blood purifier we have ever used in his practice, and he has used it in many cases of Leucorrhœa by it, and some have been cured. The beneficial effects of your Sarsaparilla in the cure of Uterine Ulceration, from which I had suffered for years, I consider little short of miraculous. Nothing within my knowledge equals it for those female derangements.

Edward S. Marrow, of Newbury, Ala., writes, among various items, on one of the females by whom he had been cured of the most loathsome scrofula, that she had suffered for years, and had at length been completely cured by your Sarsaparilla. Our physician thought nothing else could afford relief, but he advised the use of Sarsaparilla as the last resort before resigning herself to the grave. It proved effectual. After taking your remedy there was no symptom of the disease remaining.

Dyspepsia, Heart Disease, Fits, Epilepsy, Melancholy, Neuralgia.

Many remarkable cures of these distressing complaints have been effected by the alterative power of this remedy. Some of these have been published in this country, but the most remarkable are in foreign countries, where the Sarsaparilla has long been used by the most eminent physicians. Many of these cures are publishing in the papers of the people, and we do not deem it necessary to insert them all that reach us here.

Ayer's Cherry Pectoral

FOR THE RAPID CURE OF

Coughs, Colds, Influenza, Hoarseness, Croup, Bronchitis, Incipient Consumption, and for the Relief of Consumptive Patients in advanced Stages of the Disease.

This is a remedy so universally known to excel either for the cure of throat and lung complaints, that it is useless here to publish the evidence of its unrivalled excellence for coughs and colds, which are the wonderful cures of pulmonary diseases, that are known throughout the civilized nations of the earth. Few are the communities, or even families, in which there are not some personal experiences of its virtues, or some case in the neighborhood that is publicly known. Its cures are numerous, and of the most astonishing character. Even those formidable and dangerous disorders of the throat and lungs, which are the terror of physicians, because they baffle their skill, yield to its power, and are cured by it as certainly as they are by the simplest remedies. Indeed, when it is once taken, its superiority to any medicine of the kind is immediately manifest, and no one who has ever tried it will be persuaded to use any other, when this can be had. Nor do those who have ever used it for Throat Diseases, Coughs, Colds, Influenza, Hoarseness, Croup, Bronchitis, Asthma, Consumption, or even Incipient Consumption, fail to have their confidence fully restored in its ability to cure these complaints, as all know the dreadful fatality of these diseases when they know, too, the effects of this remedy, so that no one has occasion to assure them that it has now all the virtues that it did have when making the cures which won so strongly upon the confidence of mankind.
