

ARTICLE 1.—Congress shall make no law respecting an establishment of religion, or prohibiting the free exercise thereof; or abridging the freedom of speech, or of the press; or the right of the people peaceably to assemble, and to petition the Government for a redress of grievances.—Constitution of the United States.

ARTICLE 9.—SECTION 7.—That the printing press shall be free to every person who undertakes to examine the proceedings of the legislature, or any branch of government; and no law shall ever be made to restrain the right thereof. The free communication of thoughts and opinions is one of the invaluable rights of man; and every citizen may freely speak, write and print on any subject, being responsible for the abuse of that liberty. In prosecutions for the publication of papers investigating the official conduct of officers or men in public capacity, or where the matter published is proper for public information, the truth thereof may be given in evidence; and in all indictments for libels, the jury shall have a right to determine the law and the facts, under the direction of the court, as in other cases.—(Continuation of Pennsylvania.)

Fourth of July.
The ladies of the M. R. Church, at Carversville, propose giving a dinner on the coming 4th of July, the proceeds of which are to be devoted to furnishing the new Church now erecting. The public generally are invited to attend, and the purpose is a laudable one.

MAN KILLED.—On last Friday night, about 9 o'clock a man was shot on the Helkett and Erie Turnpike, one mile east of the "Black Moshannon"—under the following circumstances: Daniel Seab, and his son John, had about 14 years of age, living at the Beaver Mills, went out in the evening to watch for deer—the elder Seab went to a look a short distance from the turnpike at the point above mentioned, and sent his son to watch a "crossing" on the road. The boy had watched for some time, when he saw at a distance of about eighty yards something moving in the road which he supposed to be a deer. He at once drew up his rifle, and fired, when he discovered that his criminal carelessness had been caused him to overlook that the object he saw in his haste had taken for a deer was really a man traveling on the road who, as soon as the gun cracked, came running toward the boy with great rapidity, exclaiming "you have shot me!" "am dying," and then falling heavily upon the road. The boy, who was much alarmed, called for his father, who came out of the woods, and the two then went up to the man lying on the ground. He was dead, the ball having completely severed the spinal and passing downward came out under the left shoulder. The father, who was on once raised the alarm, gave himself up, and remain in custody to await investigation.

The deceased was a stranger, and no one could be found on his person, to identify either his name or residence. His pockets contained only a knife, and a small piece of tobacco. He was six feet six inches high, of muscular build, heavy black hair, sallow complexion, heavy dark eyes, and a scar about one inch and a quarter in length running up and down on the right side of his right eye. He had a high nose, a broad chin, and not a very heavy beard. Aged probably thirty five.

Some suppose him to have been a discharged volunteer returning to his home in Armstrong county, at least a man filling the same description and making such representations passed through Millsburg on Friday about noon, others who saw him after he was shot, thought him to be a man, who, about the 13th of June, passed through Philipsburg driving sheep, but nothing positive has been ascertained. He was buried in Philipsburg on last Sabbath.

From the above description, we are inclined to believe that this unfortunate man was none other than Isaac Keller, who was tried and convicted in the U. S. District Court at Williamsport, last week, for robbing the mail in 1859, and escaped from the custody of the Marshal on Wednesday evening.]

MAN DROWNED.—On last Sunday morning the hat of a man was found lying on the graded railroad along T. F. Steiner's Mill dam in Decatur township, this county. An examination of the marks on the ground, showed that some one had been wading around there, and had probably fallen into the dam. A boat was procured and a search resulted in the finding of a man whose name was Thos. Monaghan, a laborer on the Railroad in the employ of Messrs. Bidle & Edmundson. He was an unmarried man about thirty years of age, and is believed to have fallen on Saturday evening, as he was seen about 8 o'clock near this spot in a state of intoxication. He has no relatives in this neighborhood. He was taken to home to be buried.

ONE VOLUNTEER.—Two Regiments under Colonels Biddle and Gregg, left Harrisburg at 4 o'clock last Saturday morning for Cumberland, Md. Both the Clearfield Companies are included in these Regiments—the Rangers in the first, and the Cadets in the second.

LARGE STRAWBERRY.—We were shown, on Sunday last week, by Gen. A. M. Hills, a "hooker" strawberry which he raised in his garden, measuring 3 1/2 inches in circumference, being ripe and solid. The General is always ahead and if any person can produce a finer specimen of the same class of fruit, we should like to taste it.

THE GLORIA FORTH.—It will be seen that our Carversville friends intend commencing the coming Fourth in a most noteworthy manner. Why not do likewise in this place?

SERIOUS ACCIDENT.—Mr. Austin Cline of Woodward township, met with a serious accident, which may perhaps result fatally. On Tuesday of last week, Mr. Cline was engaged at the head of a yoke of oxen in unhitching them, when they made a sudden start, catching his body in the chain on the wagon to which they were attached, and dragged him the distance of about three hundred yards over stones, stumps, roots, breaking one of his legs, and tearing the flesh from both, from the ankle to the hip. He is now in a precarious situation.

LARCENY.—Last week, as Messrs. D. T. Dunlap and W. P. Reed were returning from Tyrone with their wagons laden with goods, stopped over night at Philipsburg. During the night, a box of tobacco, a box of saleratus, some tea and a barrel of flour were stolen from the wagons. The next morning search was made for the missing articles, and a part found secreted under the floor of a house in Decatur tp., about 3 miles from Philipsburg. Neil Dougherty and some others, whose names we did not learn, were arrested and lodged in the jail of Centre co., charged with the offense. The goods stolen belonged to Reed, Weaver & Co., and W. F. Irwin of this place.

HARRIS' IMPROVED
Bundair
SEWING MACHINE.
PRICES FROM \$10 TO \$70.
THE HARRIS' SEWING MACHINE, an engraving of which is here presented, has now become a recognized favorite wherever it has been introduced, and is, beyond question, the best, as well as the handsomest, low-priced Sewing Machine now before the public. No. 1—A small and very neat Machine for Family use.
No. 2—A large Machine for quilting heavy work and for Plantation use.

This Machine is much admired for its simplicity, and for its reliability and durability it is unsurpassed. A child twelve years can run it with ease; and yet it will sew from the coarsest cloth to the finest Swiss. There is no trouble of rewinding the thread, as it is taken from the spool, it has no belts to give trouble, and will run backwards as well as forwards, and still sew equally perfect, and without danger of breaking needles. It runs by friction, and by closing the box over it, it is thrown out of gear. In fact, we have no hesitation in recommending it as the best family Sewing Machine in use.

The following Premiums Awarded the above Machine:
At the Fair of the Franklin Institute, 1858, the First Premium.
At the Pennsylvania State Fair, at Philadelphia, September 24, 1859, the First Premium—a Diploma.
At the Pennsylvania State Fair, held at Wyoming, 1860—a Silver Medal.
For the best Double Thread Machine, at Lancaster County Fair, held October, 1859—a Silver Medal.
At the Maryland State Fair, held at the Maryland Inst. near Baltimore, Md., October, 1859, under strong competition, a Silver Medal was awarded to this Machine.
At the New Castle County Fair, held at Wilmington, Delaware, October, 1859—a Diploma.

The above Machines are manufactured by CHARLES W. HOWLAND, Wilmington, Del. SALES ROOMS, No. 720 Arch Street, Philadelphia, Pa. No. 801 Market Street, Wilmington, Del. S. D. BAKER, mar13-1y 720 Arch Street, Philadelphia. Persons wishing to see the above Machine in operation, or to call on the proprietor, at the residence of D. W. Moore, in Clearfield borough.

The time has come when all who will, can escape the iron grasp of Mercury, by calling, without delay, to see the well known and justly celebrated Boretic European Physician, Dr. Bort, who will administer those only true and safe medicines, extracted from the most choice roots and herbs, which are prepared under his own supervision, and therefore avoid the use of all MISERABLE POISONS, which were never designed for the system, to take which many thousands have fallen victims and gone to early graves.THINGS TO BE REMEMBERED.
Remember that Dr. Bort wants no patients but those fully capable of appreciating and distinguishing the services of a regular thorough bred physician, from a paltry, unlearned and trifling quack.
Remember, Dr. Bort's remedies and treatment are entirely unknown to all others in this country; prepared from a life spent in the great hospitals of Europe and the first in the country.
Remember, that Dr. Bort has a most extended practice than any other physician in Western Pennsylvania.
Remember, that citizens of education, and our popular men, are all well acquainted with, and take great pleasure in recommending Dr. Bort to the afflicted.
Remember, that Dr. Bort makes no false representations to gull the unfortunate, but all he says will be faithfully carried out.
Remember, that Dr. Bort pays every attention to diseases of a chronic nature.
250 certificates of Cures may be seen at his respective rooms.
Dr. Bort is furnished with over six thousand letters of recommendation from some of the most distinguished men living. Also, he has awarded to him diplomas from some of the most celebrated Hospitals and Universities in Europe, for his unparalleled observations in Diagnosis, and preservation in recovering remedies for the cure of diseases that have heretofore baffled the skill of many of the medical profession.
An early call from those wishing to consult the Doctor, is earnestly requested, so as to receive full benefit of treatment, and thus do justice to himself. Time limited.
Please bear in mind when Dr. Bort will be in your place. Persons desirous of consulting him will confer a great favor by calling on the first day of his arrival, as his rooms are so often crowded, it is utterly impossible to attend to the anxious solicitations of all. Dr. Bort will arrive at each of the above places on the first coach on the day appointed.
Please extend the invitation to all invalid acquaintances, and oblige yours, &c. May 29, '61.—2t.Wake up! Wake up!
