

PHYSICIAN & SURGEON

Doctor BORT,

FORMERLY Physician and Surgeon to the Brompton Long Hospital, of London, England, now of PITTSBURGH, Pa., begs leave to announce to all Invalids, that, owing to the many solicitations of his friends, he has concluded to pay professional visits to the following named places, and by arriving at the day set forth, can be consulted by the afflicted, both Male and Female, on all Diseases of the Heart, Liver and Lungs; Cancer, Piles, Scrophulous, and all Diseases of the Blood, also, all Diseases pertaining to the EYE and EAR. PARTIAL DEAFNESS, Ringing Noises in the Head, and Discharges from the Ear, can be speedily cured by Dr. Bort's Scientific Treatment, and many other diseases that have baffled the skill of the so-called distinguished physicians.

At his INFIRMARY, from June 23d to July 17th.

Listen to the Voice of Truth and Reason and Profit by it.
The time has come when all who will, can escape the iron grasp of Mercury, by calling, without delay, to see the well known and justly celebrated Eclectic European Physician, Dr. Bort, who will administer those truly and safe medicines, extracted from the most choice roots and herbs, which are prepared under his own supervision, and therefore avoid the use of all MINERAL POISONS, which were never designed for the system, to take which many thousands have fallen victims and gone to early graves.

THINGS TO BE REMEMBERED.
Remember that Dr. Bort wants no patients but those fully capable of appreciating and distinguishing the services of a regular thorough bred physician, from a paltry, unlearned and trifling quack.
Remember, Dr. Bort's remedies and treatment are entirely unknown to all others in this country; prepared from a life spent in the great hospitals of Europe and the first in the country.
Remember, that Dr. Bort has a more extended practice than any other physician in Western Pennsylvania.
Remember, that citizens of education, and our popular men, are all well acquainted with, and take great pleasure in recommending Dr. Bort to the afflicted.
Remember, that Dr. Bort makes no false representations to gull the unfortunate, but all he says will be faithfully carried out.
Remember, that Dr. Bort pays every attention to diseases of a chronic nature.

Dr. Bort is furnished with over six thousand letters of recommendation from some of the most distinguished Physicians in Europe, and his diplomas from some of the most celebrated Hospitals and Universities in Europe, for his unparalleled observations in diagnosis, and observations in discovering remedies for the cure of diseases that have heretofore baffled the skill of many of the medical profession.
An early call from those wishing to consult the Doctor, is earnestly requested, so as to receive full benefit of treatment, and thus do justice to himself. Time limited.
Please bear in mind when Dr. Bort will be in your place. Persons desiring of consulting him will confer a great favor by calling on the first day of his arrival, as his rooms are so often crowded, it is utterly impossible to attend to the anxious solicitations of all. Dr. Bort will arrive at each of the above places on the first coach on the day appointed.
Please extend the invitation to all invalid acquaintances, and oblige yours, &c.

SEWING MACHINE.
PRICES FROM \$40 TO \$70.
THE HODDORF SEWING MACHINE, an engraving of which is here represented, has now become a recognized favorite wherever it has been introduced, and is, beyond question, the best, as well as the handsomest, low priced Sewing Machine now before the public.
No. 1--A small and very neat Machine for Family use.
No. 2--A large Machine for quilting heavy work and for Plantation use.
This Machine is much admired for its simplicity, and for its reliability and durability it is unsurpassed. A child twelve years can run it with ease; and yet it will sew from the coarsest cloth to the finest Swiss. There is no trouble of re-winding the thread, as it is taken from the spool, it runs so freely as to give trouble, and will run backwards as well as forwards, and still sews equally perfect, and without danger of breaking needles. It runs by friction, and by closing the box over it, it is thrown out of gear. In fact, we have no hesitation in recommending it as the best family Sewing Machine in use.

The following Premiums Awarded the above Machine:
At the Fair of the Franklin Institute, 1858, the First Premium.
