

Clearfield Cemetery

All persons interested in the Clearfield Cemetery are requested to assemble at the grounds on Monday the 2nd of Oct. next, prepared to agree on the day in reading and repairing said grounds.

A CARD

WHEREAS, in accordance with a request from both houses of Congress, the President of the United States has appointed the last Thursday of the month "a day of humiliation, prayer and fasting for all the people of the nation," to be observed "in all humility, and with all religious solemnity, to the end that the united prayer of the nation may ascend to the Throne of Grace, and bring down plentiful blessings upon our country," the undersigned, without assuming to dictate to any one, do earnestly invite the citizens of Clearfield and the vicinity, to unite in keeping this day holy to God, by closing their places of business, and abstaining from their usual secular employments, and by engaging in such exercises of public and private worship as properly belong to a day of national humiliation.

Feeling that a calamity, awful in its nature, and fearful in its effects, is upon us, and that it has been sent by the wise, holy, and sovereign Lord of All, and as a chastisement for our sins; and that he alone can remove this calamity, and bless our land with a return of peace and prosperity, we do most earnestly entreat you, our fellow-citizens, among whom God has placed us as his ministering servants, not to fall in your duty on this occasion, but, as you love your country, come up to the Throne of Grace, and take hold of God's Christ, and with humble confession of sin, and earnest prayer supplicate the Divine Mercy.

To aid in carrying out the design of this appointment, a Union Prayer Meeting will be held at the Baptist Church, commencing at 10 A. M., and also in the Presbyterian Church, commencing at 7 P. M., to which all are respectfully invited.

The lay brethren are invited, and expected to take an active part in the exercises of these meetings.

PAMPHLET LAWS.—The Proth notary informs us that the Pamphlet Laws for 1861 have been received, and are ready for distribution to those entitled to receive them.

THE COUNTY FAIR.—From present indications the approaching Annual Fair of the Clearfield County Agricultural Society will be quite as complete a success as that of last year. The address, we have just learned, will be delivered by Ex-Governor Bigler.

BARN BURNED.—We regret to learn that the barn of Peter Resinger in Brady Tp., was totally destroyed by fire on the night of the 18th inst. Mr. Resinger had all his crop, and nearly all his farming utensils destroyed. The fire was undoubtedly the work of an incendiary.

ADMITTED TO THE BAR.—John G. Hall, Esq., a student in the office of W. A. Wallace, Esq., was yesterday admitted to practice law in the several courts of Clearfield county.

Mr. Hall passed a very creditable examination, and we predict for him a prosperous career in his new vocation.

COL. W. G. MURRAY.—This gentleman, who is raising a regiment for the war, paid our town a visit this week. The Colonel is both by nature and education a gentleman and a soldier, and one who will give every attention to the comfort of his men. We would advise all Clearfield boys who wish to enlist to go with him, and that soon, as his regiment is fast filling up. Capt. Ogden's company go in his regiment.

THE NEWS

The news from Missouri is very conflicting. It is impossible to tell the real condition of affairs at Lexington. The first accounts were a shameful exaggeration, is now certain. That there was some fighting there is also certain, but the casualties are not believed to have been severe, and at last accounts, the Government troops still held possession.

The Confederates were still pushing their works towards the Potomac foot by foot—but for what purpose was not known. The idea of an intended attack upon Washington was not entertained.

We hear, verbally, that Col. Kelly's command at Piedmont, Va., was threatened, and that application had been made to Gov. Curtin for reinforcements.

Nothing further from the Kanawha. Kentucky remains loyal.

The legislature of Maryland was to have met on the 17th, but was prevented by the arrest and imprisonment of so many of the secession members as to prevent a quorum.

P. S.—The reports from Missouri by last night's mail state that Lexington was surrendered to the rebels on Friday last—loss variously estimated.

Defining Their Positions

We have signed the call for a meeting at Curwensville on Tuesday, the 3rd of Sept. 1861, hereby declare that we do so under a misapprehension of its object, and we only desire the success of the Democracy and their principles; that we are satisfied with the action of the organization of the Democratic party, and that we are entirely satisfied with the platform adopted in Mass Convention at Clearfield on the 2d of Sept. 1861, and will support the entire Democratic ticket. We ask the publication of this card in both papers at Clearfield.

As. Bloom, Sr., Gainer P. Bloom, Samuel George, J. W. Derrick, Jackson Bonnell, R. B. Bonnell, Christian Smith, Samuel Irwin, Fred. Hanney, Levi Draucker, A. C. Taylor, J. B. Caldwell, Sr.

Our County Ticket—The duty of Democrats

Now that our County and District tickets are both completed, a few words in reference to the candidates, personally, and to the duty of Democrats in this extraordinary emergency, may not be out of place.

For Assembly, we have Dr. C. B. EARLY, of Elk county, and Geo. W. ZIEGLER, Esq., of Jefferson county. Both of these gentlemen are ready known to many of our citizens. Dr. Early is a gentleman of extraordinary industry, fair talents, sound Democratic principles and unbounded personal popularity at home. The charge of Know Nothingism made against him is as unfair as it is mean and contemptible. It is true that like many of the first Democrats of this vicinity,—whom we could name, were it necessary,—he was inveigled into a partial initiation into the order; but discovering that its object was political, he immediately withdrew.

This statement we make by the authority of one who knows, and who defies its contradiction. Dr. Early has never failed to yield a whole-souled support to the Democratic ticket ever since he became a voter, and richly deserves the support of every Democrat.

Mr. Ziegler is a leading member of the bar, is a man of much talent, and has served one or two sessions in the legislature, should these two gentlemen be elected, we are quite sure the interests of the people of this district will be much better attended to than they have been for several years.

EDWARD PERKS, our candidate for Sheriff, is well known to the people of the county. He is a native of our county, and through his extraordinary energy and industry, he has worked his way, alone and unaided to comfortable circumstances, and was ever ready, with a willing hand and a cheerful heart, to assist those who needed assistance. His election is almost certain, and that he will make one of the most excellent officers we have ever had, is beyond doubt.

JAMES BLOOM, Sr., and JOHN D. THOMPSON, our candidates for Associate Judges, are too well known to require any recommendation from us. Mr. Bloom, is now an old man, and was the first white male child born in the county, and belongs to one of the most numerous, industrious and enterprising families of the county; who have paid a full share of the taxes, and borne a full share of the burthens of the county—but a very small share of the offices. Mr. Thompson we believe is a native of the county—son of the late Ignatius Thompson, is a most worthy and upright citizen, and excellently well qualified for the position.

JOSEPH SHAW, another "native-born"—son of Hon. R. Shaw, of this place—is our candidate for County Treasurer. Like the Blooms, the Shaws were among the first settlers, and likewise performed their full share in buffeting the hardships necessarily encountered in building up our county to its present position; and likewise without receiving a fair share of the offices. Joseph Shaw is a worthy and industrious farmer of Lawrence township, and is well qualified for the position assigned for him.

JACOB KESTZ, our candidate for Commissioner, is a native of Germany; but has resided in this county for over thirty years—so that even the illiberal restrictions of Know-Nothingism would not reach him. He is one of our most enterprising and intelligent citizens, and in whose hands the interests of the county will be entirely safe.

For District Attorney we have ISRAEL TEST, Esq., who, if not a native of the county, comes within one of it, as he was born in Philadelphia. He is too well known to require further notice—as his eloquent appeals in support of Democratic principles have been heard from almost every "stump" in the county.

COL. WORELL, our candidate for County Auditor is equally well known; and we may here state that he is a candidate against his expressed wish—that, upon seeing his name announced as a candidate he addressed us a letter, requesting us to withdraw his name. This we submitted to the persons who had announced his name. They declined to withdraw it—and hence his nomination. The people of the county should not forget that this is one of the most important offices in their gift.

DR. POTTS, our candidate for Coroner, is a native of Clarion county, is a young man of excellent talents—great energy, and bids fair to become one of our most useful and enterprising citizens.

The Democracy thus have a ticket of which they may justly feel proud. There is not a man among them who does not value the Union, the Constitution and the Government as above all earthly price, and will sacrifice as much as any other set of men to save and to restore them. They do not only deserve the hearty support of every Democrat in the county, but also that of every Union-loving conservative citizen—of every man who desires the Union preserved, and our country restored to its former condition of peace and prosperity.

Maj. Bloom—"Uncle Sam," as he is generally called—it seems, is bound to be defeated, if hee trickery and lying assaults upon him, can do it. *Pro-haps* this game may work, but then, again, *pro-haps* it wont. Mr. Bloom is too well known, and has been in active life a little too long in this county, to be "headed" by any such mushroom tricks.

Is Exact.—Our contemporary of the Clearfield Democrat labors under a mistake in stating that the "Face of a Government" resolution was passed at a Republican Convention in Clearfield county. The Resolution was the unanimous labor and sentiment of the Black Republican Convention of the 21th Congressional District that nominated Gen. John Patton for Congress last fall at Ridgeway. To show however that the leaders of that party in our county, are opposed to the present "face of a government" we need only refer to the fact that their present nominee for the legislature, J. B. McEnally, was a member of the Committee that reported the "face" resolution.

REPRESENTATIVE CONVENTION

According to previous notice, the conference from the different counties in this Representative district, met at St. Mary's on Tuesday the 17th inst., for the purpose of nominating a candidate in the place of R. J. Nicholson, declined. The several counties were represented as follows: Clearfield—T. J. Boyer, H. Passmore, J. L. Cottle, McKean—Seth A. Backus, A. M. Benton, S. C. Hyde, Elk—Charles Luhr, G. E. Weiss, J. A. Boyle, Jefferson—Hugh Dowling, O. Brown, B. F. Hastings.

On motion, the letter from Mr. Nicholson, declining the position to which he had been nominated, was read and accepted by the Convention. On motion, the Chair appointed T. J. Boyer, O. Brown, and Charles Luhr a committee to draft resolutions expressive of the sense of this convention. In the absence of the committee, the convention was addressed by Mr. Boyle, Mr. Cottle, Mr. Shultz and Mr. Backus. The committee having returned, the following preamble and resolutions were unanimously adopted:

WHEREAS, It is convention did, on the 15th of August last, pass resolutions which have been construed into sentiments of disloyalty to the Union, and infidelity to the government and laws, and whereas, these resolutions have been made the pretext of designing persons for a factious opposition to the Democratic party, and whereas, the Democratic party has ever been the advocates of an unbroken Union, a written Constitution and obedience to all the laws, no matter whose particular interest they affect; therefore be it

Resolved, That we adopt the following resolutions passed at a recent Mass Meeting in Clearfield county, as expressive of the sense of this conference, together with the following additions, and recommend them to the candid consideration of the people of this Representative District. Be it Resolved, That the history of the country is the history of the Democratic party; that as in the past, the Democratic party has ever zealously and actively supported the powers that be in maintaining the national honor, and defending the symbol of nationality, so in the present and in the future when stout hearts and willing hands are needed, the Democracy will cordially give to any administration all the moral material and physical force necessary to curb rebellion, to resist invasion, or to wipe out any indignity which may be offered to the Nation.

Resolved, That we will stand by the present Administration and aid it in all legitimate measures which its object may be the enforcement of the laws, and the maintenance of the Constitutional rights of the people, but will not countenance any effort to destroy the institutions of any section of our common country.

Resolved, That the Democratic party have ever held that the Constitution, with the laws and treaties made in pursuance thereof, constitutes the supreme law of the land, and we deny that the right exists in any State to secede from the Union or to nullify the laws thereof.

Resolved, That this is no time for discussions, criminations, or useless discussions as to the origin of the war, or where the responsibility rests; that a rebellion exists, and all should strive to bring about such a speedy and honorable adjustment of our difficulties as will make us again a happy, great and united people.

Resolved, That inasmuch as such a state of affairs was never anticipated, and no provision exists which enables the President, or any other power in our government, to propose terms or adjust difficulties, and as this may cause the war to be prolonged and the bitterness and horrors thereof increased; and since a National Convention is the only competent authority to adjust differences between the States, we are in favor of early provision being made for the call of such a Convention that thereby a prompt and lasting peace may be made.

Resolved, That whilst we think the condition of the country may demand extreme and unaccustomed measures, yet we regard any attempt to control the freedom of speech and freedom of the press as a dangerous experiment. Error may be precluded with impunity, if truth is left free to combat it.

Resolved, That the future hope of the country depends on the unity and success of the Democratic party, and therefore, we look on those Democrats who, from factious or ambitious motives, are seeking to divide and distract the party as not only traitors to the principles, but disloyal to the country.

Resolved, That we heartily endorse the following excellent and patriotic language of Ex-Senator Bigler, in his speech delivered in the United States Senate on the 21st of January, 1861, viz: "The Union must be saved, no matter whose measures and policy have endangered it—the country must be rescued from the disasters of civil war and anarchy, no matter whose folly and madness have produced it. As for secession, I am utterly against it—I deny the right and abhor the consequences."

The Convention proceeded to nominate candidates: John L. Cottle named James T. Leonard of Clearfield county, and J. A. Boyle named Geo. W. Ziegler of Jefferson county. On the 5th ballot Mr. Cottle withdrew the name of James T. Leonard. Mr. Ziegler was then unanimously nominated. The Chair appointed a committee to wait upon Mr. Ziegler and inform him of his nomination. Mr. Ziegler came forward and addressed the Convention at some length, and accepted the nomination. The preamble and resolutions were read by Mr. Ziegler and Mr. Early, who both said they could stand on these resolutions, and would use their best endeavor to sustain them if elected.

On motion, Resolved, That the Conference present pledge their hearty support to the candidates nominated, and will use all honorable means to secure their election. That the proceedings be signed by the officers and published in all the Democratic papers in the District. J. A. BOYLE, Pres't. B. T. HASTINGS, Sec'y. J. L. COTTLE, Sec'y.

HARRIS IMPROVED Sewing Machine. PRICES FROM \$10 to \$70. THE BOUDOIR SEWING MACHINE, an engraving of which is here reproduced, has now become a recognized favorite wherever it has been introduced, and is beyond question, the best, as well as the handsomest, low-priced Sewing Machine now before the public. No. 1.—A small and very neat Machine for Family use. No. 2.—A large Machine for quilting heavy work and for Plantation use.

This Machine is much admired for its simplicity, and for its reliability and durability it is unsurpassed. A child twelve years old can run it with ease; and yet it will sew from the coarsest cloth to the finest Swiss. There is no trouble of re-winding the thread, as it is taken from the spools. It has no belts to give trouble, and will run backwards as well as forwards, and still sews equally perfect, and without danger of breaking needles. It runs by friction, and by closing the box over it, it is thrown out of gear. In fact, we have no hesitation in recommending it as the best family Sewing Machine in use. The following Premiums Awarded the above Machines: At the Fair of the Franklin Institute, 1855, the First Premium. At the Pennsylvania State Fair, at Philadelphia, September 24, 1859, the First Premium—a Diploma. At the Pennsylvania State Fair, held at Wyoming, 1860—a Silver Medal. For the best Double Thread Machine, at Lancaster County Fair, held October, 1859—a Silver Medal. At the Maryland State Fair, held at the Maryland Institute, Baltimore, Md., October, 1859, under strong competition, a Silver Medal was awarded to this Machine. At the New Castle County Fair, held at Wilmington, Delaware, October, 1859—a Diploma.
