Listen to the Voice of Truth and Reason and Profit by it.

The time has come when all who will, can escape the iron grasp of Mercury, by calling, withou delay, to see the well known and justly celebrated Eelectic European Physician, Dr. Bonr, who will administer those only true and safe medicines, extracted from the most choice noors and nenns, which are prepared under his own supervision, and therefore avoid ng the use of all MINERAL POISexs, which were never designed for the system, to take which many thousands have fallen victims and gene to early graves.

THINGS TO BE REMEMBERED.

Remember that Dr. Bort wants no patients but these fully capable of appreciating and distin-guishing the services of a regula- thorough bred physician, from a paltry, unlearned and triffing quack.

Remember, Dr. Bort's remedies and treatment are entirely unknown to all others in this country repared from a life spont in the great hospitals of Europe and the first in the country. Remember, that Dr. Bort has a more extended practice than any other physician in Western Pean

vlvania. Remember, that citizens of education, and our popular men, are all well requainted with, and take great pleasure in recommending Dr. Bort to the afflicted.

Remember, that Dr. Bort makes no false representations to gull the unfortunate, but all he says wil faithfully carried out.
