THE SEVEN-THIRTY LOAN.—The total amount of subscription to the 7 30 per cent loan within the last fortnight is \$16,265,000. The whole amount paid up to Saturday night, since the first subscription, is \$33,740,000. The whole amount of private subscription from the 19th of August to the 21st of September is: At New York, \$10,540,000; Boston, \$5,000,000; Philadelphia, \$2,294,000; other agencies, \$1,000,000. Total \$18,934,000.—N. Y. Tribune.

THE DEMOCRACY.—How many and how unanimous is the following from the New York Times (Republican), when compared with the growing partisan bigotry of some persons, as well as some papers, in this country:—

"It would have been easy, perhaps, for the democratic masses of the free States to have overthrown the government and permanently dissolved the Union, by refusing to support Mr. Lincoln when his inauguration was menaced, and when, later, the supremacy of the constitution was assailed by the practical assertion of the right of secession. But the Democracy did not so read their honor or safety. They loved their country more than party; and to Mr. Lincoln they saw, not the successful partisan candidate, but the constitutional President of the United States. And, therefore, they supported—not grudgingly, but heartily—as earnestly and zealously, in fact, as if he had been their own party leader in the canvass that preceded his election."

PICKET CONTINUED.—A night or two ago a German picket guard stationed outside of Arlington heard their own language spoken by the rebel scouts opposite to them. A few words were interchanged, and the parties on both sides, finding themselves fellow countrymen, proceeded to meet each other in perfect confidence. So well pleased were they with their interview that, after posting a sufficient number of guards along the prescribed lines, the majority returned to the neutral ground, and building a fire, passed the best part of the night together, on the warmest and most amicable terms.—Wash. Cor. N. Y. Tribune.

FREMONT.—There is a great deal of discussion going on just now as to the position and conduct of Major Gen. Fremont. If we may judge from all the reports that reach us, Fremont is decidedly out of his element.

Who TELLS THE TRUTH?—Our readers will recollect that President Lincoln, in his message to the late extra session of Congress, admitted that he had transgressed the Constitution, and asked Congress to pass an indemnifying act—and which Congress failed to do—yet the Union (the candidate for District Attorney, Swoope, in his speech at the Republican meeting the other night, stated positively that Mr. Lincoln had done no such thing.

Here is a fair and open issue. If Mr. Swoope is wrong—and we presume no one will dispute that fact—he clearly demonstrates his total unfitness for the office he aspires to fill.

HARRIS IMPROVED. PRICES FROM \$40 to \$70. THE HARRIS SEWING MACHINE, an engraving of which is here represented, has now become a recognized favorite wherever it has been introduced, and is, beyond question, the best, as well as the handsomest, low-priced Sewing Machine now before the public. No. 1.—A small and very neat Machine for Family use. No. 2.—A large Machine for quilting heavy work and for Plantation use. This Machine is much admired for its simplicity, and for its reliability and durability. It is unsurpassed. A child twelve years of age can use it with ease, and yet it will sew from the coarsest cloth to the finest Swiss. There is no trouble of winding the thread, as it is taken from the spool. It has no bolts to give trouble, and will run backwards as well as forwards, and still sew equally perfect, and without danger of breaking needles. It runs by friction, and by closing the box over it, it is thrown out of gear. In fact, we have no hesitation in recommending it as the best Family Sewing Machine in use. The following Premiums Awarded the above Machine:

At the Fair of the Franklin Institute, 1853, the First Premium. At the Pennsylvania State Fair, at Philadelphia, September 24, 1859, the First Premium—a Diploma. At the Pennsylvania State Fair, held at Wyomissing, 1860—a Silver Medal. For the best Family Sewing Machine, at Lancaster County Fair, held October, 1859—a Silver Medal. At the Maryland State Fair, held at the Maryland Institute, Baltimore, Md., October, 1860, under strong competition, a Silver Medal was awarded to this Machine. At the New Castle County Fair, held at Wilmington, Delaware, October, 1859—a Diploma. The above Machines are manufactured by CHARLES W. HOWLAND, Wilmington, Del. SALES ROOMS, No. 720 Arch Street, Philadelphia, Pa. No. 801 Market Street, Wilmington, Del. S. D. BAKER, 720 Arch Street, Philadelphia. Persons wishing to see the above Machine in operation, can do so by calling at the residence of D. W. Moore, in Clearfield borough.
