SEWING MACHINE.

The BOUDGIR SEWING MACHINE, an en graving of which is here represented, has now become a recognized favorite wherever it has been introduced, and is, heyond question. the best, as well as the handsomest, low-priced Sewing Machine now before the public No. 1 -A small and very neat Machine for

This Machine is much admired for its simplici-ty, and for its reliability and durability it is un-surpassed. A child twelve years can run it with ease; and yet it will sew from the coarsest cloth to the finest Swiss. There is no trouble of rewinding the thread, as it is taken from the spools They have just received a general assortment of it has no bests to give trouble, and will run Spring and Summer DRY GOODS, consisting of backwards as well as forwards, and still sews equally perfect, and without danger of breaking needles. It runs by friction, and by closing the box over it, it is thrown out of gear. In fact, we have no besitation in recommending it as the best family Sewing Machine in use.
