THE APPREHENDED "COTTON FAMINE" IN Intaxp .- The European Times a genally reliable English paper published in iverpool, gives some interesting facts in ts issue of the 21st ult., of the cotton unt in Lancashire. We quote,

"The sales of cotton at Liverpool, durog the week, had been 143,250 bales, or see-sixth of the entire stock on hand, at tices higher than and beed current for he past twenty-five years, and the imression prevailed that, if the American ar continued, cotton, which was purchaamerican cotton has been shipped this iy, at the Cash Store of reek to New York and Boston." There H. W. SMITH & CO. ered not, therefore, be any surprise at the this that has been created, and at the man now entertained as to our supply of all kinds a total of \$18,200 bales, a. Mens best Kip noot pinst 759,680 American, and a total of 0,270 bales at the same time last year. After this period last year 300,000 A. perican and 420,000 bales of all kinds received, and, notwithstanding all the large supply from numerous expor-#r a demand of 680,000 American and fall kinds of 820,000 reduced the stock Le 31s December, 1860, to 380,000 A rican and of all kinds to 545,000 bales. here is now no American cotton at ses at this country, and only 180,000 bales unit; so that, adding these to present flacks, and supposing our own spinners to issone third less from now till the close the year, and exporters 150,000 bales ore than last year, there would be althe stocks to on the 3st of December next. It
