Orphan Asylum.' I have engaged Mr. W. H.  
Wilson, of Philadelphia, to superintend the  
construction of the building, which is to be  
about 20 acres of cleared land, together  
with a large and thriving orchard—the estate  
of James W. Shadburne, deceased."

#### VULCANITE BASE FOR ARTILLERY.

ATTENTION.—A man is especially  
called to this business as a substitute to  
gold in inserting  
Artillery Trunks.

Many persons who have tried all kinds  
of Metallic Base PRIMERES, find  
these cases where it  
is applicable will undeniably become a sub-  
stitute for Gold, Silver or Platina.

In these trunks are enclosures, lightness  
and perfect equality in the weight, it having  
a sufficient hold to the parts with which it  
comes in contact.

A. M. H. is prepared to put up ten on  
the Vulcana base with Goodyear's Patent Gun,  
which is the only reliable preparation, and which  
can only be had through their regular agencies.

Dr. H. will always be in his office on Frin-  
days and Saturdays, unless notice to the contrary  
appears in the public papers on the previous  
week.

A. M. HILL.
