A meeting of the Clearfield county Agricultural Society will be held in the court house on Thursday evening 19th inst. (court week. The punctual attendance of all persons interested is respectfully invited.

JOSIAH R. READ, Prst.

Clearfield, June 4, 1862.

TO LUMBERMEN.—The attention of our lumbermen is called to the advertisement authorized by the Councils of Philadelphia offering for sale the timber leave on the "Boudinot Lands" in Centre county. We believe they are very valuable, and well located for lumbering purposes. They lie south of the river, below Buttermilk falls. Bids are to be received up to the 24th inst. We think it unfortunate that more time is not given bidders to make proper explorations, &c.

SEVERE THUNDER STORM.—One of the most grand, sublime and terrific thunder storms we ever witnessed, passed over our town on last Saturday night. The rain fell in perfect torrents—continuing, with but slight intervals, for three quarters of an hour—during which time all out-doors was one grand panorama of illuminations with peal upon peal of heavens' heaviest artillery.

SEVERE FALL.—A little child of C. D. Watson, Esq., of this place, fell down stairs on Sunday last, being severely, but not permanently injured.

ANOTHER.— At the raising of a new barn, on the premises of A. C. Tate, Esq., in Lawrence township, on Saturday, Wm. P. Read, fell to the ground, a distance of some 18 or 20 feet, escaping, very luckily, with a slight contusion of the left arm.

FROST.—A slight frost, we learn, visited several parts of our country last Monday morning. No serious damage was done, so far as heard.

HE DESERVED THAT.—DANIEL KANE, Esq., member of the House of Representatives last session from Fayette county, was renominated the other day by the Democrats of that county, by an unanimous popular vote.

KILLED AND WOUNDED OF THE 105TH REGIMENT.—Among the killed and wounded of the 105th Regiment (Colonel. McKnight) at the battle before Richmond on the 31st of May, a friend gives us the following list, belonging to the company that went from the upper end of this county, under command of Capt. Rose:

Killed.—Geo. Wood and Wm. Pennington, of Chest township; and W. Riddle of Burnside township.

Wounded.—Isaac I. Platt, Orderly Serg't, Wm. Lightner, and C. P. Ross, of Beccaria township; Archibald Mason of Curwensville; Wm. McGarvey, of Chest; Jno. Rorabough, of Burnside, and R. Bedell (residence not given.)

THE BATTLE OF THE CHICKAHOMINY.—We devote a large share of our outside of this week to another description of the late terrible battle before Richmond. In reading this account of that bloody battle, we desire our readers to bear in mind that the writer who thus stigmatizes the brave men of the Union as "cowards," "poltroons," and as "looking mean as sheep thieves," &c., &c., is the writing editor of the New York *Tribune*, a paper which, more than any other controls the Republican party; and we fear, also, in all its bad acts, the Administration.

Let us now hear no more charges against Democrats of failing to "praise" the soldiers of the Union cause!

"IT HAS NEVER BEEN DISBANDED."—A friend has kindly called our attention to our remarks a few weeks ago, wherein we inferentially charged the late address of Democratic members of Congress as speaking of the Democratic party as being "disorganized." This was an over sight in us. The position of the address is as right in this, as it is upon all other positions. It says, "The Democratic party was founded more than sixty years ago. *It has never been disbanded!*"

We trust our neighbors of the *Journal* will survive the address of the Democratic members of Congress. They have already devoted two issues of their paper, almost exclusively, to a refutation of the unanswerable arguments of that document. Half the space occupied in proving to their readers that Phillips, Greely & Co., are the real enemies of our country—quite as dangerous as Jeff. Davis and his followers—would be serving a much better purpose.

☞ We have been watching with some anxiety for some further action of our Government in reference to the conduct of the new military Governor of North Carolina. Resolutions of inquiry were offered in both Houses of Congress, to which Secretary Stanton replied by transmitting a copy of his instructions to Gov. Stanly, and saying that a copy of the resolutions have been sent to him for explanation.

A MASS MEETING.—The Democratic meeting last night was one of the largest ever held in the county. The spacious hall of the new court house was crowded. Splendid speeches were made by Messrs. Test, W. A. Wallace and Crans.

Judge Leonard was selected as one of the delegates to represent this legislative district in the 4th July State Convention, and the other delegate conceded to the other counties—McKean we presume; and D. W. Moore, J. H. Jones and Josiah R. Read, were appointed conferees to meet those of Blair and Cambria at Tyrone, to select a Senatorial delegate. The proceedings will be given next week.

AT HOME.—Gen. *Pattee* our member of Congress is now in our midst. He left McClellan's army in front of Richmond on the 8th inst., where he spent several days in the praise worthy duty of relieving our sick and wounded soldiers.

In addition to the loss mentioned elsewhere, he informs us that Capt. McKiernan's company, belonging to the 53d regiment, also suffered severely, and mentions the name of Edward Fulkerson being wounded in the leg, which was amputated at the thigh.

TERRIBLE DISTRESS IN IRELAND.—The reports of destitution and suffering in Ireland are fully confirmed by a communication from John Francis Maguire, M. P., which appears in the London Times. Mr. Maguire adds to his own testimony that of official persons in various parts of Ireland, all going to show that many of the peasantry are reduced to the last stages of poverty. James Berry makes the following report to the guardians of the Skibbereen Union:

"I visited Sherkin and Cape Clear on Monday, Tuesday and Wednesday. I found the utmost destitution and want of every kind, and no fuel except the dropping of the cows. I did not hear that any one died of starvation, nor do I believe that any person did; but many, especially the children, were emaciated to the greatest degree, and unless immediate relief is given from this until the potatoes are fit for use, I fear some will perish."

Mr. Hurley reports:

"I found, both in Sherkin and Cape Clear—Baltimore I did not visit—that there was a great number of persons who are now suffering really. I believe, from insufficient food, and who are quite eligible under the act for out-door relief. I can fully corroborate what Mr. Barry says with regard to their determination not to enter the workhouse—the islanders at any rate. They stated that they would rather lie down and die than enter it. * * The women and children looked as if they were approaching the gradual decay of strength and muscle. Their appearances were wretched, their houses were wretched."

* * * * * * * *

Mr. Downing says:

"I did not see food enough in any house to supply the family with the second day's provision. I went into one house where there had been no dressing or preparation, and I can swear on my solemn oath that I saw in that woman's house, about four feet by nine—*some boiled sea weed, and nothing else.*"

NOT DEAD.—The reported death of Gratz Johnson, noticed last week, is incorrect. He was in the 84th regiment, and not in the 105th.

MARRIED—On the 16th instant, by Joseph H. Breth, Esq., Mr. William S. Kitchen of Burnside, to Miss Hester Pennington of Chest township.

On the 12th inst., at Dairy Hill, Woodward township, by J. W. Wright, Esq., Mr. H. P. Williams to Miss Mary I. Erhard.

On the 15th inst., by A. Breth, Esq., Mr. H. L. Henderson to Miss Rebecca Smith, both of Bell township.

On Sunday last, by John Holt, Esq., Mr. James Lytle to Miss Sarah McDowell, all of Graham township.

On the 27th ult., by Josiah Evans, Esq., Mr. Thomas Waln to Miss Eliza Nickelson of Penn township.

DIED—In Brady township, on the 3d instant, Mrs. Sarah Dressler, aged 32 years 7 months and 7 days.

New Advertisements.

CAUTION.—All persons are hereby cautioned against purchasing or in any way meddling with a certain Gray Mare now in the possession of Isaac Dritah in Decatur township, as she belongs to me and is left with him on loan only. THOS. HENDERSON.

Woodland tp., June 18, 1861.pd.

TIMBER LEAVE FOR SALE.—SEALED PROPOSALS for the Timber Leave of the Boudinot Lands, situated on the south-east side of the Susquehanna river, in Burnside township, Centre county, containing about **Thirteen Thousand Acres**, will be received by the Superintendent of Trusts, of the city of Philadelphia, at his office in Wills' Hospital on the south side of Logan Square, until the **twenty-fourth day of June, next**, and will be opened by him at three o'clock in the afternoon of that day, in the presence of the Committee on Trusts and Fire Department, and of such bidders as may attend.

All bids to be addressed to CHARLES OAT, Superintendent of Trusts, and to be endorsed, "*Proposals for Leasing Boudinot Lands.*" Such proposals are to specify the duration of the lease asked for, not exceeding ten years, and the price offered per cubic foot for **square timber**—pine and oak—and per thousand square feet board measure for **saw-logs**. They must also be accompanied by the names of two responsible sureties (residents of Philadelphia would be preferred) who are willing to give bonds in the amount of ten thousand dollars for the faithful performance of the contract. The timber leave will embrace only such of the White Oak and White and Yellow Pine as shall exceed twelve inches in diameter at the butt; but the lessee will be permitted to use trees of any kind and size without charge, for the construction of roads and bridges on the lands. The cutting and measuring of the timber to be under the supervision of an Agent appointed by the City. The timber to be cut clear; that is, after commencing on a tract, all the timber thereon must be cut before proceeding to another. The measuring to be done on the bank, and the price secured before launching the timber.

The City of Philadelphia reserves the right to enter upon the lands at all times by its Agents, for the purpose of examining into the performance of the conditions of the lease, or for any other purpose whatever, and also the right to explore, dig or mine ore or coal, and to erect all kinds of structures, and to construct all roads, railroads and bridges necessary for mining purposes.

The City also reserves the right absolutely to reject any or all bids, for inadequacy of price, insufficiency of sureties, or other reasons.

By order of the Councils of Philadelphia,

CHARLES OAT,

June 14, '62 *Superintendent of Trusts.*

SHAVING AND HAIR-DRESSING.

Not by the Bard of Graham's Row.

The question has often been asked
Why PLEASANTS can shave so clean?
That customers who shave with him
A benefit must reap, I ween.

He shaves for a "FIP," and if you are willing,
Will take off your hair in a trice for a "SHILLING."
So come along, ye jolly boys so slick,
For Pleasants is the man to do it cheap and quick.

The reason may readily be seen
Why his custom is so large:
His towels all are clean—his razors all are keen,
And you'll always find him *Pleasant* in—a charge.

Just go to Pleasant's and you'll be
Like Sheba's Queen of old:
Pleased and delighted, and exclaim
The half has not been told.

Tremendous Victory.

GREATEST BATTLE ON RECORD!

15,000 Killed and Wounded, and 80,000 taken Prisoners!

WITH CAMP EQUIPAGE—AND 70,000 Contrabands freed from the

BONDS OF SLAVERY!!

EVERY man that has read any thing of the past history of this WAR must finally come to the conclusion that the Confederate Government will be broken down. It was only a question of time. But now we have the above thrilling soul-stirring news to cheer us up; and the only drawback to our joy and gladdification is the imminent danger of the Contrabands coming North to "eat out our substance," and to wear out our shoes! But of one thing the people of Clearfield county may be assured, and that is, that FRANK SHORT—for short called Shortee—is selling **Boots & Shoes** as cheap as any other man in the county; and if you don't believe it just give him a call on court week, or at any other time, and see for yourselves. He would just remind the public that his shop is now on Market street, in Shaw's Row—where you will find him just as *Short* as usual—if not a little *shorter*—of Cash than he would like to be.

All kinds of work on hands and made to order on short notice, and as well made, and as good fits as can be "sheered" up here or elsewhere.

NEXT TO A MIRACLE!

Astonishing

A BOON never dreamed of by MAN, nor whispered by ANGELS. Discovered accidentally. Every owner of a horse must own it. Something which every **Founder** in horses in so short a time and so radically as to only be surpassed by a miracle. It thoroughly eradicates the effects from the system in from 12 to 24 hours, so that your horse, so stiff to-day that you cannot get him out of the stable, by to-morrow is ready to take his place in the team. The best Farriers never dreamed of it, and it astonishes everybody.

It is neither *Mineral* nor *Vegetable*, nor any compound of man's invention; but is given simply as Nature produces it—in his drink, and only once. No drenching. The remedy is silent in its action, and cannot produce any injurious effects. Costs nothing. Exists everywhere—and will cure to the end of time. There is no patent humbug puff, nor catch penny business about this, but the simple truth honestly stated. Rely upon that. Each one sending me One Dollar, with their name and address, I will promptly inform, in a sealed envelope, what the remedy is. Twice amount of money returned in case of failure—(which is impossible.) THIS REMEDY is offered to the community with the confidence we feel in an article which seldom fails to realize the happiest effects that can be desired. So wide is the field of its usefulness, and so numerous the cases of its cures, that almost every section of the country abounds with persons publicly known, who have been restored by its use. Here is one case of an

ASTONISHING CURE!

THIS MAY CERTIFY, That my son lay sick for twelve months, under the Doctor's care, with the disease of the Lungs, and every remedy prescribed by the Doctor failed to give relief. I gave up all hopes of his recovery; so did the physician. At this stage I prevailed upon him to try a bottle of LOUDON'S INDIAN EXPECTORANT, and the result was most happy, as the use of three bottles effected a permanent cure, and he is now a hearty boy. VULCANITE BASE FOR

Artificial Teeth!

ATTENTION is especially called to this article as a substitute for Gold in Interim Artificial Teeth.

Many persons who have tried all kinds of Metallic Base PREFER this, for these cases where it is applicable it will undoubtedly become a substitute for Gold, Silver or Platina.

Its chief advantages are cheapness, lightness and perfect adaptability to the mouth, it having a soft and flesh-like feel to the parts with which it comes in contact.

A. M. HILLS is prepared to put up Teeth on the Vulcanite Base with Goodyear's Patent Gum, which is the only reliable preparation and which can only be had through those regular agents.

Dr. Hills will always be in his office on Fridays and Saturdays, unless notice to the contrary appears in the public papers on the previous week.
