AYER'S

CHERRY PECTORAL,

FOR THE RAPID CURE OF

Colds, Coughs, and Hoarseness.

DRACUT, MASS., 20th Dec., 1855.

DR. J. C. AYER: I deem it a duty and a pleasure to say to you that your CHERRY PECTORAL has cured me of a severe cough, which I had had for several months, and which resisted the treatment of several physicians. I consider it the best cough medicine in the market.

JOHN C. HOWE.

A. W. MORTLEY, Esq., of Utica, N. Y., writes: "I have used your Pectoral myself and in my family ever since it was first introduced, and believe it the best medicine for the purposes ever put up. With a bad cold I should suffer my twenty-five dollars for a bottle than do without it, were any other remedy."

Croup, Whooping Cough, Influenza.

SHAFTSBURY, MASS., Feb. 7, 1856.

BROTHER AYER: I will cheerfully certify your *Pectoral* is the best remedy we possess for the cure of whooping cough, croup, and the chest diseases of children. We of our fraternity in the south appreciate your skill, and commend your medicine to our people.

HIRAM CONKLIN, M. D.

AMOS LEE, Esq., MONTEREY, IA., writes, 31 Jan., 1856: I had a tedious Influenza, which confined me in doors six weeks; took many medicines without relief; finally tried your *Pectoral* by the advice of our clergyman. The first dose relieved the soreness in my throat, and longer use than one half the bottle made me completely well. Any medicines are the cheapest as well as the best we can buy, and we esteem you, Doctor, and your remedies, as the poor man's friend."

Asthma or Phthisic, and Bronchitis.

WEST BRIDGEWATER, PA., Feb. 4, 1856.

SIR: Your *Cherry Pectoral* is performing marvellous cures in this section. It has relieved several from alarming symptoms of consumption, and is now curing a man who has labored under an affection of the lungs for the last forty years. HENRY L. PARKS, Merchant.

A. A. RAMSEY, M. D., ALMON, MONROE CO., IOWA, writes, Sept. 6, 1856: "During my practice of many years I have found nothing equal to your *Cherry Pectoral* for giving ease and relief to consumptive patients, or curing such as are curable."

We might add volumes of evidence, but the most convincing proof of the virtues of this remedy is found in its effects upon trial.

Consumption.

Probably no one remedy has ever been known which cured so many and such dangerous cases as this. Some no human aid can reach; but even to these the *Cherry Pectoral* affords relief and comfort.

ASTOR HOUSE, NEW YORK CITY, March 6, 1856.

DOCTOR AYER, LOWELL: I feel it a duty and a pleasure to inform you what your *Cherry Pectoral* has done for my wife. She had been five months laboring under the dangerous symptoms of Consumption, from which no aid we could procure gave her much relief. She was steadily failing, until Dr. Strong, of this city, where we have come for advice, recommended a trial of your medicine. We bless his kindness, as we do your skill; for she has recovered from that day. She is not yet as strong as she used to be, but is free from her cough, and calls herself well.

Yours with gratitude and regard,

ORLANDO SHELBY, or SHELBYVILLE.

Consumptives, do not despair till you have tried AYER'S CHERRY PECTORAL. It is made by one of the best medical chemists in the world, and its cures all around us bespeak the high merits of its virtues. — *Philadelphia Ledger.*

Ayer's Cathartic Pills.

THE sciences of Chemistry and Medicine have been taxed their utmost to produce the best, most perfect purgative which is known to man. Innumerable proofs are shown that these PILLS have virtues which surpass in excellence the ordinary medicines, and that they win unprecedentedly upon the esteem of all men. They are safe and pleasant to take, but powerful to cure. Their penetrating properties stimulate the vital activities of the body, remove the obstructions of its organs, purify the blood, and expel disease. They purge out the foul humors which breed and grow distempers, stimulate sluggish or disordered organs into their natural action, and impart healthy tone with strength to the whole system. Not only do they cure the every-day complaints of every body, but also formidable and dangerous diseases that have baffled the best of human skill. While they produce powerful effects, they are at the same time, in diminished doses, the safest and best physic that can be employed for children. Being sugar-coated, they are pleasant to take; and being purely vegetable, are free from any risk of harm. Cures have been made which surpass belief were they not substantiated by men of such exalted position and character as to forbid the suspicion of untruth. Many eminent clergymen and physicians have lent their names to certify to the public the reliability of my remedies, while others have sent me the assurance of their conviction that my Preparations contribute immensely to the relief of my afflicted, suffering fellowmen.

The Agent below named is pleased to furnish gratis my American Almanac, containing directions for their use, and certificates of their cures, of the following complaints:—

Costiveness, Bilious Complaints, Rheumatism, Dropsy, Heartburn, Headache arising from a foul stomach, Nausea, Indigestion, Morbid Inaction of the Bowels and Pain arising therefrom, Flatulency, Loss of Appetite, all Ulcerous and Cutaneous Diseases which require an evacuant medicine, Scrofula or King's Evil. They also, by purifying the blood and stimulating the system, cure many complaints which it would not be supposed they could reach, such as Deafness, Partial Blindness, Neuralgic and Nervous Irritability, Derangements of the Liver and Kidneys, Gout, and other kindred complaints arising from a low state of the body or obstruction of its functions.

Do not be put off by unprincipled dealers with some other pill they make more profit on. Ask for AYER'S PILLS, and take nothing else. No other they can give you compares with this in its intrinsic value or curative power. The sick want the best aid there is for them, and they should have it.

NOTICE.—We are daily receiving orders to send by mail some one or more of Dr. Hurd's Dental Remedies, which we cannot fill. None are available except the Neuralgia Plaster, which we send in an envelope on receipt of Price [25 cents] and one stamp. But to accommodate persons in places where the druggists and storekeepers are behind the age, we have put up packages in white embossed boxes, seven inches by four, with compartments—each box containing a bottle of Dr. Hurd's Mouth Wash, and Tooth Ache Drops, a box of Tooth Powder, the Neuralgia Plaster, and a valuable little treatise on Teeth and their Diseases, the best means of preserving them and the proper treatment of Childrens Teeth, worth of itself the entire cost to every young man or woman or parents with young children, with sundry other necessary articles; price per package ONE DOLLAR, or six packages for five dollars, sent by express as directed. As the express charge is not much, if any, more on a dozen than on one, it is far cheaper to order six or a dozen packages at one time. A large family will want all, or the surplus can be disposed of to neighbours with public benefit, for no one can estimate how much pain, suffering, unhappiness, and disfigurement, expense, loss of time and money would be saved to the country if every family to day had one of these packages, which, in itself, is a complete set of Dental Remedies. Price with Hemmer and Feller

$35 00.

THIS MACHINE HAS A POINT OF SUPERIORITY PECULIARLY ITS OWN.

Stitching, Hemming, and Felling with a Single Thread.

It forms a flat, even, and elastic seam, which is WARRANTED not to rip in wear, even if the seam is cut at frequent intervals, and also under all circumstances "TO SURVIVE THE WASH-TUB."

A patented device of great utility to learners, prevents the possibility of the machine being run in the wrong direction, or the balance wheel wearing a lady's dress.

Another feature which deserve particular attention is

☞ THE WILCOX PATENT NEEDLE CANNOT BE SET WRONG.

Two thousand stitches, or two yards of work, can be done in one minute without dropping a stitch.

These machines, so simple and accurate in their construction, supersede the use of the shuttle; and with one thread produce all the practical results of the two thread machines; and more, for these fell without basting, and hem the finest muslin without puckering.

Although at about half the price of the other first class machines, they will accomplish double the sewing in a given time

"It is emphatically the good, low-priced Family Sewing Machine that the public have long been waiting for."—Boston Transcript.

"It is indeed a wonderful production, and for family use especially, no other will bear any comparison with it."—Philadelphia Evening Journal.

"A mechanical wonder."—Scientific American.

"Among the best and most serviceable Sewing Machines. Light and elegantly finished, and so simple in its construction that it seems almost impossible for it to get out of repair."—Pittsburg Chronicle.

"Has combined with its own peculiar merits all the really valuable improvements of the higher priced machines."—Pennsylvanian.

"This machine, in the opinion of the committee, fills more nearly the requirements of a perfect family machine than any on exhibition."—Franklin Institute Exhibition Report of 1858.

"Taking into consideration simplicity, cheapness, durability, and doing all work, the committee were unanimously in favor of the Wilcox & Gibbs as a single thread machine."—Pennsylvania State Agricultural Society's Report.

"We must, in justice, express our confidence in the merits of the Wilcox & Gibbs Sewing Machine. We consider that a great desideratum has been supplied by it, in proving, beyond doubt, that two threads are not, as was supposed necessary to a good lastrance."—Christian Advocate and Journal, June 21, 1860.

"We have one of these machines in use, and think more highly of it than of any of the number we have tried."—Richmond Whig.

The undersigned, Missionary to Constantinople, has examined more than twenty differ six kinds of Sewing Machines, and after somewhat awake experience with Wilcox & Gibbs' Portable has purchased one of them, as the best adapted to the wants of his family, and as the one liable to require repair. OLIVER CRANE.

Boston, July 3, 1860.

The undersigned, during eighteen months has had in almost constant use, in his family Wilcox & Gibbs Sewing Machine, upon which has been made the clothes of his large family, from muslin to pilot cloth—including the clothing required for his several boys; and in no case have the seams failed, although in hard service. The machine now in use in his family has required no repair, and is in all respects, well appointed, efficient and durable.

VULCANITE BASE

FOR

Artificial Teeth!

ATTENTION is especially called to this article as a substitute for Gold in inserting Artificial Teeth.

Many persons who have tried all kinds of Metallic Base PREFER this. In those cases where it is applicable it will undoubtedly become a substitute for Gold, Silver or Platina.

Its chief advantages are cheapness, lightness and perfect adaptability to the mouth. It having a soft and fleshy feel to the parts with which it comes in contact.

A. M. HILLS is prepared to put up teeth on the Vulcanite Base with Goodyear's Patent Gum, which is the only reliable preparation and which can only be had through their regular agencies.

Dr. Hills will always be in his office on Fridays and Saturdays, unless notice to the contrary appears in the public papers on the previous week.
