

DEMOCRATIC MASS MEETING. A meeting of Democrats will be held at NEW WASHINGTON, on Wednesday, October 8th, 1862, at 6 o'clock P. M.

The right man in the right place. John Brown's body lies mouldering in the grave. Call in—Reizenstein, Brothers & Co. have just received a large supply of clothing suitable for the season...

GET ASSESSED—Saturday will be the last day on which assessments can be made in time for the election. We urge upon every Democrat the importance of attending to this duty at once.

We desire no quarrel with the Abolition Tribune—by no means—but after reading its truly wholesome strictures upon certain "howards," who had stuck up notices in that place, stigmatizing certain citizens as "secessionists," we thought to find such a remark as "questionable associations" as applied to Mr. Wallace, in its columns.

The Abolition Conference which met at Ridgway last week, and nominated O. W. Scofield, of Warren for Congress, was even more unfortunate than the one that met there two years ago. The former resolved to "wind up the present force of a Government," but the latter would themselves up, by the Chairman, with a number of the conferees reading. This man Scofield, has alternately been a Democrat, Free Soiler, Know Nothing, Republican and now is a full fledged Abolitionist.

Choose You.—The Pittsburgh Gazette in discussing upon our National affairs, very sagely comes to the conclusion that, "but one of two results is possible—DIS-UNION or ABOLITION."

We have from the beginning always believed, that disunion or abolition, or both, was the real object of those bad men who rule the present Congress, and in a great measure control the Administration.

Under these circumstances we think it would indeed be with "ill grace" if the people of Clearfield county—especially those who have had a surfeit of Abolitionism—if they would vote for any body else than Mr. Wallace.

Give us a rebel victory, let our armies be destroyed, Maryland conquered, Washington captured, the President exiled and the government destroyed; give us these and any other calamities that can result from defeat and ruin, sooner than a victory with McClellan as General!

We had the pleasure of taking by the hand on last Monday, our next Senator, Mr. Wallace, of Clearfield county, who is up on a visit to his Cambria county friends.
