SHAVING AND HAIR-DRESSING
The razor has often been said to be the most dangerous of weapons. Why? Because it is so often used by those who do not know how to use it. A safety razor is the answer.

NEGRO OUTRAGES
Attempted Rape—A colored man named J. W. Landrum, a notorious lawbreaker and vagrant, was committed to jail on Monday, charged on oath of John Ems, a German, residing in the Fifth Ward, with assault and battery with intent to ravish. It is alleged that Landrum enticed a 16-year-old daughter of the prosecutor, aged about twelve years, into a house in the neighborhood of her father's residence, and made the attempt for which he stands charged. He was committed by Ald. Taylor.

Attempt to Commit a Rape—Last night a negro named John Morgan, tried the door and attempted to violate the person of a soldier's wife, residing on Madison street. Her screams brought assistance, when the negro fled, but was soon after arrested and taken to jail, and will have a trial before Judge Brown this morning. The community is much incensed at this attempted outrage, and the negro may thank his stars that the lateness of the hour prevented a further attempt to participate in his crime.
