

The Clarfield Republican.

WEDNESDAY, Feb. 4th, 1862.

By James D. Morrison.
The Rev. A. L. Johnson, pastor of the Methodist Church, has given us his verdict on the subject of slavery. He will be reported further in our columns.

Union of Pennsylvania.—Very S. Wright has been appointed P. M. of this City, Dr. G. W. Caldwell.

CLEARFIELD ACADEMY.—The regular term of this excellent school commences on next Monday. See notice of Professor Sanford.

LEO BENKIN.—John, son of Isaac Johnson, had his leg badly fractured on Monday evening last, whilst engaged with Young America in general, in sliding down hill. This, we believe, is the first serious accident of the season, and the wonder is that they don't average about one a day.

Messrs. ANSON, BISBEE, and PATTON.—We have our thanks for valuable Congressional favors.

DR. WM. B. HURD'S DENTAL REMEDIES.

The News.—We are without any important army news. It is reported that the Confederate force in the rear of Fredericksburg is greatly reduced by reinforcements sent to meet the Union troops this month, and that Hooker is expected soon to resume his advance.

It is also reported that Virginia is again besieged, now under Gen. McClellan, and that the command of the Mississippi has been turned to run through a canal cut through the point of land opposite that city—leaving the city some three miles from the river. The Confederates have largely increased their force there, including Stonewall Jackson and his forty thousand.

North Carolina is being invaded in two columns of about 50,000 Union troops each, down hill. This, we believe, is the first serious accident of the season, and the wonder is that they don't average about one a day.

Messrs. ANSON, BISBEE, and PATTON.—We have our thanks for valuable Congressional favors.
