

We are requested to announce that the Rev. Mr. Bratton will preach in the Lutheran Church, on this place, on Thursday, (tomorrow,) at 11 o'clock, A. M.

DECEASED.—The project to erect a new township out of parts of Brady, Bell and Penn., to be called Fulton, has failed to be approved by the people. The election was held at Luthersburg on Friday last, and in a poll of nearly 200 votes, only 23 were in favor of the new township.

NOT EXACTLY "DOG CHIEF."—We learn that one of our enterprising workmen returned from a trip down the river a short time ago, bringing with him a very pretty little dog. About the same time a gentleman in Harrisburg was minus his dog, and setting the famous Erney Campbell, Chief of police, on the scent, the little whippet was traced to our county, and a warrant duly forwarded to hunt him up. The result was, the dog was found, and for aught we know is now with his legal master, at a cost of some \$25 to our raftman for his "doggyish" propensity.

MELANCHOLIC CASE OF DROWNING.—A little boy, aged about three years, named THOMAS MCGHEE, son of ROBERT MCGHEE, Esq., of Bell township, was drowned on the 18th inst., under the most distressing circumstances. The child, and a little girl, a few years older, a cousin, were playing in the saw-mill, when the little boy fell through into the forebay. The little girl, in her fright, ran to the house to give the alarm, whereas, had she called upon some men, who were at work but a short distance below, he might, in all probability, have been rescued before the vital spark had fled.

Mr. M. had left home that morning for the east, via Tyrone, and a messenger was dispatched for him; but he was not reached; and after waiting three days the remains of this little household idol were committed to another earth, followed by an almost heart-broken mother, and many sympathizing friends.

Meeting of the Democratic Standing Committee.

The Gentlemen composing the Democratic Standing Committee of Clearfield county, are requested to meet at the office of the undersigned on Monday next (4th May) at 7 o'clock, P. M. A punctual attendance is requested.

ISRAEL TEST, Ch'.

Clearfield, April 29, 1863.

The following are the names of the Committee: Frederick Shoff, Jacob Wilhelm, James Savage, John Jordan, Hon. James Blair, Hiram Woodward, George Dimmeling, D. W. Wise, Daniel Stewart, Jehu Gilliland, James T. Hamilton, Price A. Rowles, James McMurray, Richard Shaw, Jr., W. P. Chambers, Dr. A. A. Petzer, Charles S. Worrell, John B. Kyles, F. P. Gouter, J. M. Cummings, C. M. Caldwell, John H. Rowles, Charles Armstrong, Darius D. Ritter, James McClellan, Horace A. Courtney, James Hagar, Thos. Henderson.

RELIGIOUS INTELLIGENCE.—Bishop Potter has published a pastoral letter to the clergy and congregation of the Diocese of Pennsylvania, relative to the approaching day of fasting, humiliation and prayer as designated by the President for next Thursday. The Bishop highly commends the strict observance of the day, and says amongst other things in his letter:—*Phil. Age.*

"Let us think less of the sins of those who are arrayed against us, and more of our own. Let us remember that the race is not to the swift, nor the battle to the strong; and instead of a vain confidence in our own resources, or our own strength, let us remember that unless the Lord go forth with our armies, defeat awaits the most stupendous efforts and preparations, and that unless He give grace and wisdom to our rulers and people, all our counsels will come to naught."

THE DEMOCRATIC VICTORY IN CHICAGO.—The Abolitionists seem to be entirely disappointed in the fact that Sherman (Dem.) is re-elected Mayor in the city. His majority is small, but they calculated upon a certainty in beating him. The poll is an immense one for Chicago—20,300. The Times says:

"At the State and Congressional election last fall—one of the most exciting elections ever held in the city—the total number of votes polled within the same territory now covered by the city was only 15,776, including two or three regiments of soldiers now absent. There has been no actual material increase of legal voters since last fall, but here is an apparent increase of 4,530! The simple truth is, that the Abolitionists, through their secret organizations have imported two or three thousand men and voted them at this election."

Upon this importation of votes, doubtless the Abolitionists calculated; upon carrying the city.

AN OUTRAGE IN A CHURCH.—A desecration at his sister's funeral by a Protestant Guard.—Last Saturday the citizens of New Berlin, Union county, were compelled to witness a scene, the like of which never happened in this country. It appears that one Jas. Hummel, a deserter from the Army, was attending the funeral of his deceased sister. Suspecting this to be a favorable opportunity to capture Hummel, a provost guard by the name of Gephart [should be Kephart, of Centre county] conceived the idea of doing so in the church. He entered the church with the rest of the people assembled, and after the singing of the first hymn, and before the sermon was commenced, he stepped up to Hummel with a revolver in his hand and arrested him. Upon this Hummel also drew forth a revolver. Gephart snapped his pistol, but the caps failed the first two attempts. Gephart fired a shot, and Smith, his assistant fired one. Hummel fired three times. He hit Gephart on the breast, but his balls did not penetrate. Hummel hit twice, one shot in the arm and the other through the lungs. Gephart was severely handled by the women, who seemed to have much more pluck than the men. He ran to the mountains and made safe his escape. The affair produced an awful excitement and confusion, and, of course, there was no funeral sermon preached. These are all the particulars of the affair we have yet learned.—*Nelingsburg Times.*

A REMARKABLE SALE OF IRON.—A sale of government iron took place at Alexandria, Va., on Wednesday. The first lot consisted of seventy-eight tons, 2,240 lbs. per ton, at 50 cents per ton; bought by J. Hankey. Thirty tons of cast-iron at 70 cents per ton; bought by A. McDonnell. Ten tons of cast-iron at 60 cents per ton. Thirty tons of flat rails at 94 cents per ton.—*Week Chron.*

DECEASED.—In Pike township, on the 19th instant, of Consumption, Flora, daughter of Elias and Mary Passmore, aged 1 year and 1 month. Lovingly remembered by her friends.

Hard is it for thee to part, For it needs the aching heart, But an heir of glory gains, Let the will of God be done.

Filled on a Savor's breast, Sweetly sleep and softly rest; Soon the morning shall restore The buried babe we now deplore.

In this place, at an early hour yesterday morning, at his sister's, after a lingering illness, Miss Henrietta, daughter of Major V. B. Holt, of Bradford township, aged about 18 years.
