THE CHEAPEST PAPER POR-LUSHED IS PENNSYLVANIAL

ARD THE ONLY DEMOCRATIC PAPER PRINTED AT THE SEAT OF HOVERNMENT!

Forty-four Columns of Reading Matter Each Week!

AT THE LOW PRICE OF ONE DOLLAR AND FIFTY CENTS-WHEN SUBSCRIBED POR IN CLUBS OF not less THAN 10 copies toone ADDRESS

WR HAVE BEEN COMPELLED TO RAISE W the club subscription price to one dollar and fifty cents in order to save ourselves from actual loss. Paper has rison, including texes, about twenty five percent., and is still rising ;-and when we tell our Damocratic friends, candidly, that we can no longer afford to sell the "Work-ly Patriot & Union" at one dollar a year, and must add fifty cents or stop the publication, we trust they will appreciate our position, and, in stead of withdrawing their subscriptions, go to work with a will to increase our list in every country in the State. We have endouvered, and shall continue our efforts, to make the paper useful as a party organ, and welcome as a news increasing in every family. We flatter ourselves that it has not been without some influence in producing the glorious revolution in the politics of the Etate schieved at the late election; and if fearlessness in the discharge of duty, fidelity to the principles of the party, and an anxious desire to promote its interests, with some experience to promote its interests, with some experience. must add fifty cents or stop the publication, we to promote its interests, with some experience and a moderate degree of ability, can be made serviceable hereafter, the "Workly Patriot and Union' will not be less useful to the party or less welcome to the family circle in the lumns than in the past. We confidently look for increased encouragement in this great enterprise, and appeal to every influential Democrat in the State to land nahis aid in running our subscribtion list up to twenty or thirty thousand. The expense to each individual is trifling, the benefit to the party may be great. Believing that the Democracy of the State feel the necessity of suctaining a fe. vless central organ, we make this appeal to them with the fullest confidence of success.

The came reasons which indice us to rake the price of also Weekly, operate in regard to the Daily paper, thick has also increased. The additional cost to a sch subscriber will be but trifling -and, while we called persuade curselves that the change necessarian made will result in any diminution of our daily fitculation, yet, were we certain that such would be the consequence, we should still be compelled to L'ake it, or suffer a ruinous less. Under these curumstances we must throw ourselves upon the generality, or, rather the justice of the public, and abode their verdict, who tever it may be.

The period for which many of our solseril we have paid for their paper being on the evec. expiring, we take the liberty of issuing this noice, reminding them of the same, in order that RENEW THEIR CLUBS.

We shall also take it as an especial favor if ur present subscribers will urge upon their neighbors the fact that the "Patriot & Union" is
