THE SHOW! THE SHOW!

Were it not for the bleeding state of our beloved country, we would depart from our usual habit, and ask everybody to lay aside their daily avocations and come and see the great show. But as it is, we will do no such thing, only assure them, if they do come, they will see one of the best managed equestrian establishments in the country, and which is under the management of a lady who has already established a high character for success in her profession. Miss Lizzie Rice, the daughter of the Manager, is represented as a young and highly accomplished girl; beautiful, and a successful artist.

The ground selected is at the west end of the Bridge, which will be free to all persons attending the performance—the Agent having liberally chartered the Bridge for the occasion.

To CAMPBELL.—We notice that the system of requiring candidates for office to pay in advance for his notice and tickets, is being generally adopted by our dear brethren. We are so decidedly in favor of this plan, that we have resolved to adhere to it henceforth. Therefore, all persons will take notice and act accordingly—and as all will be treated precisely alike, there can be no complaints.

Now in the TIME.—Look out our new Advertisements, if you want to find out where to buy cheap goods. It is true that they have crowded us so that we have no room to pay our respects, properly, to the Abolition Jacobsins; but, then, we want our readers to know where they can buy good goods cheap, and will make no complaint.

THE WEATHER.—The oldest inhabitant is unable to remember so dry a May as the late one. Crops of all kinds—grasses, vegetables, fruit, &c., &c., are suffering very much, and should the drought continue a few days longer, with the prevailing cold wind, serious apprehensions may well be entertained.

We are requested to state that the Fair Grounds will be thrown open to the public during Tuesday and Wednesday of Court weeks.
