The following digest of the late amendments to the postal law...

Post Office, Williamsport, Pa. June 24, 1863.

Ed. Democrat—Dear Sir:—The new Post Office Act amending the law relating to the Post Office Department...

SECTION 3. This section absolutely prohibits the delivery of any letter, newspaper, pamphlet, or package whatever, until the postage charged thereon shall be paid.

SECTION 16. That no Post Master shall receive, to be conveyed by the mail, any packet or package which shall weigh more than four pounds—except books circulated by order of Congress.

SECTION 18. No newspaper or magazine not prepaid at the mailing office, can be delivered until the postage has been paid for at least one quarter, unless the party addressed shall pay on each paper, &c., at the rate required on transient matter.

SECTION 22. Makes the single letter rate of postage three cents (each half ounce) uniform throughout the United States.

SECTION 23. Changes the rate of postage on drop letters from 1 to 2 cents on each half ounce in weight.

SECTION 24. Under this section letter postage will be collected on each half ounce of all matter mailed as private matter and found to contain any other information than that contained in print.

SECTION 26. Matter on which by law the postage is required to be prepaid at the mailing office shall reach its destination without such prepayment double the prepaid amount shall be charged and collected on delivery.

SECTION 32. Relates to Registered Letters. The registration fee hereafter is twenty cents in addition to the regular postage.—The greatest care and diligence in the custody and despatch of registered letters is enjoined by the Post Master General on all Post Masters in relation to Registered Letters.

SECTION 33. The maximum standard weight for the single rate of postage on matter classed as printed matter and all miscellaneous matter is four ounces avertedpoids, with a few exceptions.

SECTION 34. Fixes the postage on transient mailable matter of the second class, that is all mailable matter exclusively in print, and regularly issued at stated periods, and also on all miscellaneous mailable matter of the third class, that is all other matter which is or may hereafter be by law declared mailable, embracing all occasional publications, books, maps, engravings, blanks, cards, &c., is mailed at the rate of two cents for every four ounces or fractional part of four ounces.

It will be observed that this section does not conflict with the regular postage on newspapers, &c., but fixes the amount in weight and postage on the package, when sent in one package to one address—not to regular subscribers.

Newspapers not over four ounces, pay as follows: once a week, per quarter, 5 cents; twice a week, 10 cents; three times a week, 15 cents; six times a week, 30 cents; one rate, or 5 cents, added for each time more than once a week.

Letter rates are to be charged on irregular matter, part written and part printed, except that publishers may receive proof sheets, and advise patrons by writing on papers when their subscription is up.
