the most eminent Clergymen, Lawyers, Physicians and Citizens. Testifying of their own personal knowledge, to the beneficial effects and Pike, medical virtues of these Bitters.

From Rev. J. Newton Brown, D. D., Editor of the

Encyclopedia of Religious Knowledge.

Although not disposed to favor or recommend Patent Medicines in general, through distrust of their ingredients and effects, I yet know of no sufficient reasons why a man may not testify to the benefits he believes himself to have received from any simple preparation, in the hope that he may thus contribute to the benefit of ethers.

I do this the more readily in regard to Hoof-

land's German Bitters, prepared by Dr. C. M. Jackson, of this city, because I was prejudiced against them for many years, under the impression that they were chiefly an alcoholic mixture. I am it debted to my friend Robert Sheemaker, Esq., for the removal of this projudice by proper tests, and for encouragement to try them, when suffering from great and long continued debility The use of three bottles of these Bitters, at the beginning of the present year, was followed by evident relief, and restoration to a degree of bodily and mental vigor which I had not felt for six of months before, and had almost despaired of regaining. I therefore thank God and my friend immediately open graduating, who knew nothing for directing me to the use of them.

ATTENTION, SOLDIERS,

And the friends of Soldiers. We call the attention of all having relations or friends in the army to the fact that "Haofland's German Bitters" will cure nine-tenths of the disesses induced by exposures and privations inci-dent to camp life. In the lists, published almost daily in the newspapers, on the arrival of the sick, it will be noticed that a very large proportion are suffering from debility. Every case of that kind can be readily cured by Hoofland's German Bitters. We have no hesitation in stating that, if these Bitters were freely used among our soldiers, hundreds of lives might be saved that otherwise would be lost.

The proprietors are daily receiving thankful letters from sufferers in the army and hospitals, who have been restored to health by the use of these Bitters, sent to them by their friends.

BEWARE OF COUNTERFEITS! See that the signature of "C. M. JACKSON" is on the WRAPPER of each Bottle.
