The Clearfield Republican.

WEDNESDAY,.....SEPTEMBER 23d.

GRAND RALLY!

We hope to see an old fashioned outpouring of the yeomanry of Clearfield county on NEXT TUESDAY NIGHT.—No men love their country, love liberty, love the Union, or prize our free institutions more, than do the Democracy of Clearfield. Then let no man be behind his neighbor on that occasion, but come forward and re-avow your unalterable determination TO LIVE and TO DIE AS FREEMEN.

Mass Meeting at Bloomington.

A mass meeting of the Democrats of Pike, Lawrence, Knox, Ferguson, and the adjoining townships, will be held on next Saturday afternoon at 2 o'clock, at Bloomington. Able speakers will be present.

GOSSIPING.—We dislike very much to prate and chat about the business of our neighbors, but in this particular case we are compelled to depart from the "even tenor of our way," and make a *public* statement of what fell under our immediate notice.

As we were passing down Market street the other day, we heard some loud talk in front of the three story brick building formerly occupied by Graham, Boynton & Co. Hastening to the spot to learn the cause of the excitement, we found that A. I. F. Boynton & Jo. Showers, had purchased the entire interest of the old firm, and had been to the eastern cities and purchased such a large amount of cheap and splendid goods, that there was scarcely room for the clerks inside, and their customers were compelled to remain on the sidewalk, while Jo. was shoving the goods out at the door and windows, in order to quiet the crowd of anxious customers.

Jo. says they will have room inside for all in a few days, so that none need stay away, or be detained for want of room.

See advertisement in to-day's paper.

SHAMEFUL.—A correspondent in Huston township sends us the particulars of an affair that took place on the last day of a school in that township, in which a little boy of 12 years—son of Mr. B. De Beck—was set upon by two or three other children, and one or two young men, and very much abused; and all for the reason, as it would appear, that he was what they called a "*copperhead.*"

We mention this simply as an evidence of the degeneracy of the times. This boy, if we are not mistaken, has had two brothers in the Union army ever since the beginning of the war; and yet, because he, in his juvenile way, is a democrat, and the father condemns the war policy of the Administration, he is made the victim of mob violence.

☞We are informed that the Department has declined to grant the Deputy Provost Marshal of this county the privilege of hearing the applications of conscripts for exemption on pleas other than for physical disability—and hence all such must repair to Waterford.

HON. WM. H. WITTE.—We are glad to announce that we have the most positive assurance that this gentleman will be with the Democracy of Clearfield on NEXT TUESDAY NIGHT. Come and hear the foremost stump orator of the age.

ANOTHER SHOW—at Reizenstein Brothers, which is very extensively patronized—many of the visitors leaving with beautiful new suits of the latest styles of new clothes.

☞Come to the Democratic Meeting on Tuesday next. Rally for the Ticket.

☞ON OUR TABLE—*Godey's Ladys' Book* for October, as full of beauties as ever.

THE WAR NEWS.

The war news is becoming important again. There has been considerable skirmishing in the army of the Potomac recently. The main force of Lee's army is said to be within the entrenchments at Richmond, while one or two divisions are believed to have been sent to reinforce the rebel armies of the South.

Gen. Rosecrans' division has advanced to Lafayette, Ga., not far from the Alabama and Tennessee lines, where the rebels were met in force, and where a battle was fought on the 19th inst., but with no decisive result, and would be resumed the next morning—Sunday last.

Nothing important from Charleston.—The rebels still hold Sumter, which they were strengthening; while the Union forces had repaired Fort Gregg.

Martial Law in Missouri.—Important and Stringent Order of Gen. Schofield.

ST. LOUIS, Sept. 18.—Gen. Schofield has issued a general order, stating that hereafter martial law shall be rigidly enforced throughout this department, against all persons who shall in any manner encourage mutiny or insubordination, or endeavor to create disaffection among the troops, and against all persons who shall publish or utter publicly words calculated to excite insurrection or unlawful acts among the people, or who shall publish falsehoods or misrepresentations of facts, calculated to embarress or weaken the military authority, or in any way interfere with them in the discharge of their duties.—Any person guilty of either of the above offences just mentioned shall be punished by fine and imprisonment, at the discretion of the military commander; and any newspaper which shall contain a publication in violation of this order shall be suppressed.

[It is possible that the above order refers as much to Jim Lane of Kansas, and such rebels, as it does to the followers of Jeff Davis.]

BECCARIA TOWNSHIP.—An error in the enrollment of Beccaria township. The "number in the box" should have been 99, instead of 79.

Such has been the case in thousands of instances, and a fair trial is but required to prove the assertion.

Remember that these Bitters are NOT Alcoholic, and NOT intended as a Beverage.

The proprietors have thousands of Letters from the most eminent Clergymen, Lawyers, Physicians and Citizens, Testifying of their own personal knowledge, to the beneficial effects and medical virtues of these Bitters.

From Rev. J. Newton Brown, D. D., Editor of the Encyclopedia of Religious Knowledge.

Although not disposed to favor or recommend Patent Medicines in general, through distrust of their ingredients and effects, I yet know of no sufficient reason why a man may not testify to the benefits he believes himself to have received from any simple preparation, in the hope that he may thus contribute to the benefit of others.

I do this the more readily in regard to Hoofland's German Bitters, prepared by Dr. C. M. Jackson, of this city, because I was prejudiced against them for many years, under the impression that they were chiefly an alcoholic mixture. I am indebted to my friend Robert Shoemaker, Esq., for the removal of this prejudice by proper tests, and for encouragement to try them, when suffering from great and long continued debility. The use of three bottles of these Bitters, at the beginning of the present year, was followed by evident relief, and restoration to a degree of bodily and mental vigor which I had not felt for six months before, and had almost despaired of regaining. I therefore thank God and my friend for directing me to the use of them.

J. NEWTON BROWN.

Philadelphia, June 23, 1861.

Diseases of Kidneys and Bladder, in Young or Aged, Male or Female, are speedily removed, and speedily restored to health.

Delicate Children—those suffering from Marasmus, wasting away, with scarcely any flesh on their bones, are cured in a very short time; one bottle in such cases, will have a most surprising effect.

Parents having suffering children as above, and wishing to raise them, will never regret the day they commenced with these Bitters.

Literary men, Students, and those working hard with their brains, should always keep a bottle of Hoofland's Bitters near them, as they will find much benefit from its use, to both mind and body, invigorating and not depressing.

It is not a Liquor stimulant, and leaves no prostration.

ATTENTION, SOLDIERS,

And the friends of Soldiers.

We call the attention of all having relations or friends in the army to the fact that "Hoofland's German Bitters" will cure nine-tenths of the diseases induced by exposures and privations incident to camp life. In the lists, published almost daily in the newspapers, on the arrival of the sick, it will be noticed that a very large proportion are suffering from debility. Every case of that kind can be readily cured by Hoofland's German Bitters. We have no hesitation in stating that, if these Bitters were freely used among our soldiers, hundreds of lives might be saved that otherwise would be lost.

The proprietors are daily receiving thankful letters from sufferers in the army and hospitals, who have been restored to health by the use of these Bitters, sent to them by their friends.
