

THE LAST GRAND RALLY!

The Democracy will close the campaign by a last grand rally at Clearfield this afternoon, at 2 o'clock.

Ex. Gov. BIGLER, Hon. W. A. WALLA, and also BENJ. F. GARR and WILLIAM CARR.

Both soldiers of the Army of the Potomac will address their countrymen.

Democrats, give your brethren of glorious old Pike and Clearfield a demonstration worthy of your holy cause.

Victory Certain!

We assure the friends of Constitutional freedom that a GLORIOUS VICTORY will crown their efforts to-morrow, if they but do their duty in GETTING OUT THEIR VOTERS, and GUARDING THE PURITY OF THE BALLOT-BOX.

We get cheering words of encouragement from all parts of the State. To elect their man, the Abolitionists counted upon every soldier's vote. THEY CANNOT GET THEM. This they have discovered. Hence their dismay.

THE PEOPLE AND THE DRAFT

How convenient it has been to the people of Clearfield county, to travel to Cleveland, Ohio, back to Erie, Pa., and out to Waterford; when examined and not exempted, to travel back to Erie, pay the \$300 commutation, then go back to Waterford and pass it before the board; then go back again to Erie, and travel homeward by way of Cleveland, Pittsburg and Tyrone.

LINCOLN A SECESSIONIST.

The following sentences are taken from a speech delivered in Congress by President Lincoln in 1848—the man whom the Abolitionists have styled the Second Washington.

"Any People anywhere being inclined and having the power, have the right to raise up and shake off the existing Government and form a new one that suits them better."

"Nor is this right confined to cases in which the whole people of the existing government may choose to exercise it. Any portion of my people that can, may revolutionize and make their own of so much of the territory as they inhabit."

"More than this, a majority of any portion of such people may revolutionize, putting down a majority—intermingled with, or near about them—who may oppose their movements."

"Fornay—the President's dog—being unable to appear here in person, sent one of his pups, to abuse and slander our people. And right well did he do it. Says this slanderer:—the 'gentlemen of intelligence and wealth'—the 'best class'—are confined to those who have 'recently settled' here. The 'degenerate remainder' embrace all those 'to the manner born'—the intelligent, stout-hearted, patriotic, Union-loving, honest and hard-working yeomanry, who have made Clearfield county what it is. We blame not the 'pup' half so much as we do those of our own false-hearted and treacherous citizens, who filled him with these infamous slanders. They are most at fault, and should be held responsible by an outraged and insulted community.

Every vote cast for Woodward is a vote for personal liberty, safety and security.

Every vote cast for Curtin is an endorsement of the doctrine that 'the King can do no wrong.'

Let every freeman remember these FACTS TO-MORROW.

The British Lion seems to sympathize with the rebellion.

THE TRUTH PLAINLY TOLD.

The recent letter of Hon. C. B. BURKE, to the Democracy of Luzerne county, is one of the ablest productions of the campaign. It is filled with gems from the beginning to the end—and we deeply regret our inability to publish it entire.

The following extracts, however, present a picture so perfectly accurate, that we cannot withhold their insertion. In speaking of the despotism that now reigns, he says:

"No diversity of thought is to be permitted—no difference of opinion—no dissent—no question—no hesitation or doubt is to be committed—These things are not dreamed—they are not recited out of some book of horrors—they are the current speech, the impassioned utterance of men in our midst—the discourses with which social life and social intercourse are regarded. 'Join us,' (this is the cry) 'be with us, think as we think, do as we do, forget that you forbidd these horrible evils as evils of our policy and we would the warning; forget that we had platform which we have failed, and made promises which we have broken; forget that you were freemen before we mounted your backs, and ruled you by dog's law, and put you in prison by telegraph, and sent you to the gallows to take your earnings and your families to be sold your souls for us!—Forget all this, and do our bidding, and hold up your hands, and bid us God speed—You are secessionists, traitors, Copperheads—worse than the enemy in arms, and saved by grace, and not by merit, from most condign and pitiless punishment.'"

Again, in speaking of the "means of extortion," he says:

"Commence, by your own direct action through the ballot box, the reformation of the government and the conciliation of the whole country to the doctrines of reunion and lawful rule. Begin this work next week in the election of GEORGE WASHINGTON WOODWARD as Governor—Commission that strong, true man, to speak for you, at this juncture, words of courage and wisdom—words of stern reproof to all enemies of constitutional right, and encouragement and fellowship to all its friends. Nay, you will speak for yourselves in electing him. In that act you will send out a voice to Washington, and to all the States, which will be understood and will be heeded. It will be said everywhere 'Pennsylvania has spoken and the end is nigh! The reign of Proclamations is over!—The courts are to be opened that justice may be rendered to all who demand it!—The hand of the censor will be lifted from the telegraph that it may again speak truth, and it shall never more convey a message consigning the wretched citizen to Bastille or banishment; Neighbor shall no longer denounce neighbor for honest opinion; nor shall those appointed to preach the Gospel of Peace become famous as the trumpeters of party and the champions of violence; Mob is to be quite abolished, and all thieves driven forth from the treasury as their predecessors of Judaea were driven forth by the Saviour from the temple of God.'"

ALL HONOR TO THE BRAVE SOLDIER!

Whatever may be said by the boasting, bragging Abolitionists as to the way the soldiers will vote, we have no apprehensions.

Two of the bravest men the great army of the Potomac can boast of, are now stumping the county for Woodward and Constitutional freedom—both of whom aided, by their votes in the election of Lincoln in 1860. But they were not Abolitionists then—but good and true Union men, as they now are.

Nor are they the only ones. We could name many more.

Would that the whole army were here. If they were at home long enough to discover how wickedly they have been deceived, by the Abolition Jacobins at Washington, as to the real position of the Democracy, Curtin would not get one-fifth of their votes.

RENEGADE DEMOCRATS.

The last RENEGADE contained the names of Vice President Dallas, and Hon. John Cassara, among others, who had deserted the Democratic party.

A journal, a single issue of which contains over 34 falsehoods, is a very scaly witness on any subject, and is entirely unworthy of credit in this instance.

If the Journal desired to notice the political changes of distinguished men, why does it not announce that Ex. President FILLMORE has been stamping the State for Woodward?

BLACK REPUBLICAN LOYALTY!

They prate about LOYALTY! You, the people, have made sacrifices with pure and generous hearts.—You have sent your sons to battle, and you have given money that you have earned by hard toil in your fields. But what sacrifices have these men made? None! None!!—NONE!!! They get high office, and call it LOYALTY! They enrich their families, and call it—LOYALTY! They buy lands, and they build fine houses, which your hard toil pays for, and they call it—LOYALTY.

"SIR, THE ABOLITION PARTY IS A DISLOYAL ORGANIZATION. ITS PRETENDED LOVE FOR FREEDOM MEANS NOTHING MORE OR LESS THAN CIVIL WAR AND A DISSOLUTION OF THE UNION. HONEST MEN OF ALL PARTIES SHOULD UNITE TO EXPOSE THEIR INTENTIONS, AND ARREST THEIR PROGRESS."
