Tremendous Victory.

GREATEST BATTLE ON RECORD!

15,000 Killed and Wounded, and 30,000 taken Prisoners!

WITH CAMP EQUIPAGE—AND 70,000 Contrabands freed from the BONDS OF SLAVERY!!

EVERY man that has read any thing of the past history of this WAR must finally come to the conclusion that the Confederate Government would be broken down. It was only a question of time. But now we have the above glorious and startling news to cheer us up; and the only draw-back to our joy and glorification is the imminent danger of the Contrabands coming North to "eat out our substance," and to wear out our shoes! But of one thing the people of Clearfield county may be assured, and that is, that FRANK SHORT—for short called Short—is selling Boots & shoes as cheap as any other man in the county; and if you don't believe it, just give him a call on Court-week, or at any other time, and see for yourselves. He would just remind the public that his shop is now on Market street, in Shaw's Row—where you will find him just as Short as usual!—not a little shorter—of Cash than he would like to be.

All kinds of work on hands and made to order on short notice, and as well made and good fits as can be "skinned" up here or elsewhere.

Don't forget the shop—on Market street, in Shaw's Row, directly opposite Rev. H. B. Swoope's office. F. SHORT, Clearfield, June 11, 1862.

Bulkeley's Patent.

Lumber Dried by Superheated Steam.

The undersigned respectfully informs the people of Clearfield, and the adjoining counties that he has the agency of the above Patent, and will sell Individual, County and Township rights for its use. The Lumber dried by this process is stronger, finishes better, is easier on tools, and requires less time in drying than any other process known—and drying 1 inch lumber perfectly in 26 hours, and better than many months under the old system, using the same amount of fuel per day that a common kind consumes. The certificates of a number of resident mechanics, well known in this community, is amply sufficient to convince the most skeptical of its practical utility. Persons desirous of purchasing rights will address JOHN L. CUTLER, Clearfield, Pa. July 1, 1863.
