The Clearfield Republican.

WEDNESDAY, ... Nov. 11th, 1863.

PHOTOGRAPHS.

If you want a neat, cheap, durable and life-like Photograph, go to Holes & Bradley's car, on Market street, opposite the jail, where you can get your phiz taken on short notice.

"A BIG THING ON BUCHER"—To make a "mean" and a "villainous" assault upon Russel McMurray, Esq., and then back out of it by saying it was the "Election Board" that did wrong! Bah.

CORRECTION.—In the Court proceedings as published in our paper of the 19th October last, the report of the case of the "Commonwealth vs. Joseph Ames, for Fornication," &c., should have been *Josiah* instead of *Joseph* Ames. The parties are in no way related to each other. The mistake was entirely accidental on our part.

SWORN IN.—Amos Read, Esq., the County Commissioner elect, was sworn in office on Monday last, and entered upon the discharge of his duties.

Mr. Read, takes the place of Samuel C. Thompson, Esq., who has discharged the duties of Commissioner for the past three years, with honor to himself, and the best interests of the public.

HARD UP.—The Post Office Department refuses to take its own shin-plasters unless at a discount of 40 per cent.

We presume the forthcoming report of the Post Master General will give a glowing description of the revenues of that Department. Why should not the revenues be enormous when the department orders the deputy Post Masters, to collect from 40 to 50 per cent more postage for letters, from the people, than the law exacts?

What would be said of an individual, guilty of similar acts?

☞ A glorious opportunity is now offered to the loyal braggarts who have been boasting of their excessive loyalty to the "Government" for the past two or three years.

Gov. Curtin, now advertises for 26,268 of those fellows. The Governor wants none but "loyal citizens," to fall in, and fill up the ranks, but we fear this test will prove that the people of our country, are all disloyal, as we can find no one willing to volunteer. We hope the men who, previous to the late election, were in favor of Curtin and no draft, will now volunteer. Turn out, ye boasting loyalists, and practice what you preach.

PHILADELPHIA & ERIE RAILROAD.—The Philadelphia & Erie Railroad was formally opened on the 9th instant, to Emporium the county seat of Cameron County. The rails will be laid, during the ensuing month, as far as St. Mary's, twenty miles beyond Emporium. From the west, the rails will probably be laid to Buena Vista, which is twenty-three miles from St. Mary's. Thus will be completed from Erie to Buena Vista, eighty-five miles, and from Sunbury to St. Mary's, one hundred and sixty miles, leaving only a gap of twenty-three miles unfinished between Erie and Philadelphia. Those twenty-three miles are nearly all graded, and at no very distant day will be ready for the rails. This great enterprise may, therefore, be regarded as a fixed fact.

ELECTION FRAUDS IN OHIO.—A dispatch to the New York *Herald* from Hamilton, Ohio, charges that the most gigantic frauds have been perpetrated in Ohio during the recent election. Highland county alone gives Brough a majority of 582 votes more than the male population of the place. It contains a population of 5,582 males, including the unnaturalized and soldiers in the army.

Revelations regarding the great majorities recently given to Brough are daily coming to light. A Methodist minister was arrested at Hamilton last week upon a charge of illegal voting. He was brought up before the Mayor, and was bound over in the sum of of five hundred dollars to appear at the next session of the Court of Common Pleas.

The people of Ohio, although expecting it, were startled upon the receipt of the news of these frauds, and are now putting their heads together as to the propriety of appointing investigating Committees.

☞ The President has replied affirmatively to Governor Gamble's application for protection from apprehended violence at the hands of radicals who are making what is called the "Missouri troubles" over the emancipation of slavery. He says among other things, that he has no cause to suspect the Provisional Government of Missouri of disloyalty, and will protect it when occasion requires, to the same extent as any of the regularly installed loyal State Governments. He approves that part of the Governor's recent proclamation which asserts the right of the people to change or alter the State Government in the mode pointed out by the Constitution and otherwise. The reply of the President substantially meets the requirements of the Missouri Conservatives, and will doubtless displease the Radicals.

CIVIL LAW.—We clip the following extract from Judge Wilkins' letter to the late Democratic mass convention at Pittsburgh. Would to God that it could reach and sink deep into the heart of every American citizen:

"And lastly, in all the strife, changes and vicissitudes of your government of boasted freedom, preserve the privilege of speech, and the liberty of the press—but O! my countrymen! above all, in flight or in darkness, in defeat or in success, in peace or in war, rivit to your hearts the solemn belief that the palladium of safety to the people—that their security, either domestic or public, are only to to be found in that country where the civil law is supreme, and in practice is faithfully observed, and prevails above all others! What more can an American desire, or to what less can he yield submission?"

The proprietors have thousands of Letters from the most eminent Clergymen, Lawyers, Physicians and Citizens Testifying of their own personal knowledge, to the beneficial effects and medical virtues of these bitters.

From Rev. J. Newton Brown, D. D., Editor of the Encyclopedia of Religious Knowledge.

Although not disposed to favor or recommend Patent Medicines in general, through distrust of their ingredients and effects, I yet know of no sufficient reasons why a man may not testify to the benefit he believes himself to have received from any simple preparation, in the hope that he may thus contribute to the benefit of others.

I do this the more readily in regard to Hoofland's German Bitters, prepared by Dr. C. M. Jackson, of this city, because I was prejudiced against them for many years, under the impression that they were chiefly an alcoholic mixture. I am indebted to my friend Robert Shoemaker, Esq., for the removal of this prejudice by proper tests, and for encouragement to try them, when suffering from great and long continued debility. The use of three bottles of these Bitters, at the beginning of the present year, was followed by evident relief, and restoration to a degree of bodily and mental vigor which I had not felt for six months before, and had almost despaired of regaining. I therefore thank God and my friend for directing me to the use of them.

J. NEWTON BROWN.

Philadelphia, June 22, 1861.

Diseases of Kidneys and Bladder, in Young or Aged, Male or Female, are speedily removed, and speedily restored to health.

Delicate Children—those suffering from Marasmus, wasting away, with scarcely any flesh on their bones, are cured in a very short time; one bottle in such cases, will have a most surprising effect.

Parents having suffering children as above, and wishing to raise them, will never regret the day they commenced with these Bitters.

Literary men, Students, and those working hard with their brains, should always keep a bottle of Hoofland's Bitters near them, as they will find much benefit from its use, to both mind and body, invigorating and not depressing.

It is not a Liquor stimulant, and leaves no prostration.

ATTENTION, SOLDIERS,
And the friends of Soldiers.

We call the attention of all having relations or friends in the army to the fact that "Hoofland's German Bitters" will cure nine-tenths of the diseases induced by exposures and privations incident to camp life. In the lists, published almost daily in the newspapers, on the arrival of the sick, it will be noticed that a very large proportion are suffering from debility. Every case of that kind can be readily cured by Hoofland's German Bitters. We have no hesitation in stating that, if these Bitters were freely used among our soldiers, hundreds of lives might be saved that otherwise would be lost.

The proprietors are daily receiving thankful letters from sufferers in the army and hospitals, who have been restored to health by the use of these Bitters, sent to them by their friends.
