Those suffering from Broken Down and Delicate Constitutions, from whatever cause, with a Malo de Estomac, will find in Hoofland's German Bitters, a Remedy that will restore them to their usual health. Such has been the case in thousands of instances, and a fair trial is but required to prove the assertion.

Remember that these Bitters are NOT Alcoholic, and NOT Intended as a Beverage. The proprietors have the thousands of Letters from the most eminent Physicians, Lawyers, Physicians and Clergymen, Testifying of their own personal knowledge, to the effect these and medicinal virtues of these Bitters.

Although not disposed to favor or recommend Patent Medicines in general, through distrust of their ingredients and effects, I yet know of no sufficient reasons why a man may not testify to the benefits he believes himself to have received from any simple preparation, in the hope that he may thus contribute to the benefit of others.

I do this the more readily in regard to Hoofland's German Bitters, prepared by Dr. C. M. Jackson, of this city, because I was pronounced against them for many years, under the impression that they were chiefly an alcoholic preparation. I am indebted to my friend Robert Shroeder, Esq., for the removal of this prejudice by pure tests, and for encouragement to try them, when suffering from great and long continued debility, the use of three bottles of these Bitters, at the beginning of the present year, was followed by evident relief, and restoration to a degree of bodily and mental vigor which I had not felt for six months before, and had almost despaired of regaining. I therefore thank God and my friend for directing me to the use of them.

J. NEWTON BROWN, Philadelphia, June 23, 1861. Diseases of Kidneys and Bladder, in Young or Aged, Male or Female, are speedily relieved, and speedily restored to health.

Delicate Children—those suffering from Nervous, wasting away, with scarcely any flesh on their bones, are cured in a very short time; one bottle in such cases, will have a most surprising effect.

Parents having suffering children as above, and wishing to raise them, will never regret the day they commenced with these Bitters. Literary men, Students, and those working hard with their brains, should always keep a bottle of Hoofland's Bitters near them, as they will find much benefit from its use, to both mind and body, invigorating and not depressing.

It is not a liquor stimulant, and leaves no prostration. Parents having suffering children as above, and wishing to raise them, will never regret the day they commenced with these Bitters.
