MME. DEMOREST'S MIRROR OF FASHIONS,

PUBLISHED QUARTERLY, AT 473 Broadway, N. Y.

The special object and aim in the publication of this magazine is to present Judicious, Reliable, and Practical Information in all matters pertaining to ladies' and children's dress.

Information of the greatest possible importance to Milliners, Dress-makers, and every lady who wish to know the prevailing modes in New York and Paris.

To all enterprising ladies, and industrious mothers, we shall endeavor to furnish many useful and practical suggestions in relation to the proper combination of colors, choosing materials, including cutting and making dresses, and children's clothes, which of necessity must occupy a much larger portion of a woman's time, when no reliable authority is at hand to be consulted—suggestions which cannot fail to prove a source of much gratification, economy, personal refinement, and home consumption.

Do not fail to bear in mind that we furnish, in value, during the year, more than \$5 in full size patterns alone; while in plates, engravings, reliable information on fashions, many that can be secured in any or all the other fashion magazines put together, and yet the yearly subscription being only \$1, with the extra fifty cents worth of full size patterns sent as a premium, makes the yearly subscription to cost really only fifty cents, independent of the Carte de Visite.

Do not fail to subscribe for the Mirror, if you wish to secure it promptly as it is sent in advance to subscribers. Dec. 30, 1863.
