Bulkley's Patent.

Lumber Dried by Superheated Steam.

THE undersigned respectfully informs the people of Clearfield and the adjoining counties that he has the agency of the above Patent, and will sell Individual, County and Township rights for its use. The lumber dried by this process is stronger, finishes better, is easier on tools, and requires less time in drying than any other process known—and drying 1 inch lumber perfectly in 36 hours, and better than many months under the old system—using the same amount of fuel per day that a coommon kiln consumes. The certificates of a number of resident mechanics, well known in this community, is amply sufficient to convince the most skeptical of its practical utility. Persons desirous of purchasing rights will address

Clearfield, Dec. 30, 1863.

Tremendous Victory.

GREATEST BATTLE ON RECORD!

15,000 Killed and Wounded, and 30,000 taken Prisoners!

WITH CAMP EQUIPAGE—AND

70,000 Contrabands freed from the

BONDS OF SLAVERY!!

EVERY man that has read any thing of the past history of this *WAR* must finally come to the conclusion that the Confederate Government would be broken down. It was only a question of time. But now we have the above Glorious soul-stirring news to cheer us up; and the only draw-back to our joy and glorification is the imminent danger of the Contrabands coming North to "eat out our substance," and to wear out our shoes! But of one thing the people of Clearfield county may be assured, and that is, that FRANK SHORT—for short called *Short-ee*—is selling **Boots & shoes** as cheap as any other man in the county; and if you don't believe it, just give him a call on court-week, or at any other time, and see for yourselves. He would just remind the public that his shop is now on Market street, in Shaw's Row—where you will find him just as *Short* as usual—if not a little *shorter*—of Cash than he would like to be.

All kinds of work on hands and made to order on short notice, and as well made, and as good fits as can be "skeered" up here or elsewhere.

☞Don't forget the shop—on Market street, in Shaw's Row, directly opposite Rev. H. B. Swoope's office. F. SHORT.

MME. DEMOREST'S

MIRROR OF FASHIONS,

PUBLISHED QUARTERLY, AT 473 Broadway, N.Y.

The special object and aim in the publication of this magazine is to present Judicious, Reliable, and Practical Information in all matters pertaining to ladies' and children's dress.

Information of the greatest possible importance to Milliners, Dress-makers, and every lady who wish to know the prevailing modes in New York and Paris.

To all enterprising ladies, and industrious mothers, we shall endeavor to furnish many useful and practical suggestions in relation to the proper combination of colors, choosing materials, including cutting and making dresses, and children's clothes, which of necessity must occupy a much larger portion of a woman's time, when no reliable authority is at hand to be consulted—suggestions which cannot fail to prove a source of much gratification, economy, personal refinement, and home consumption.

Do not fail to bear in mind that we furnish, in value, during the year, more than $3 in full-size patterns alone; while in plates, engravings, reliable information on fashions, more than can be secured in any or all the other fashion magazines put together, and yet the yearly subscription being only $1, with the extra fifty cents worth of full size patterns sent as a premium, makes the yearly subscription to cost really only fifty cents, independent of the Carte de Visite.—Do not fail to subscribe for the Mirror, if you wish to secure it promptly as it is sent in advance to subscribers.
