COMMITTEE FOR A DAYS LABOR.

GREAT GENERAL SANITARY FAIR.

Committee on "Labor Incomes and Revenues."
Office No. 118 S. Seventh St.
JOHN W. CLAGHORN, Treasurer.

This Committee has a special work, to wit: to solicit a day's "labor," a day's "income," and a day's "revenue," from every citizen of the three States of Pennsylvania, New Jersey and Delaware, for the benefit of our sick and wounded soldiers.

The Committee is now fully organized at the above address, and calls for the co-operation of all classes in the community.

We want to show what the industrial classes do for the soldiers!

What the people can do to their separate trades!

What Pennsylvania can do!
What New Jersey can do!
What Delaware can do!
What each county can do!
What each city and town can do!
What each professor can do!
What each occupation can do!
What each manufactory can do!
What each bank, insurance company and railroad can do.
What each workshop can do!
What each family can do!
What each man can do!
What each women can do!
What each boy and girl can do!

We want to show the world what American freemen are ready to do for their soldiers!

This is a great work and the time short.

The way to do so is to ORGANIZE!

Organize in your workshops—in your families.
Let the men organize.
Let the women organize.
Let the trades organize.
Organize everywhere.

Let the workmen give with their employers, the employers with their workmen.

It is easily done. If the workmen will authorize their employers to deduct one day from their week's or month's earnings, and the employers will add to it a day of their profits, the whole sum will be acknowledged together to the credit of the establishment. We say to all, go to work at once with us in this great work. Hurry forward your contributions. Every acknowledgement will stimulate others to follow your example.

Circulars with full instructions will be sent upon application, by mail or otherwise, to the undersigned. To work! to work!

L. MONTGOMERY BOND, Chairman.
MRS. E. W. HUTTER, Chairwomen.

DR. TOBIAS' VENITIAN LINIMENT

DIED OF CROUP! What a pretty and interesting child I saw last week! But now, alas! it is no more. Such was the conversation of two gentlemen riding down town. Died of croup! how strange! when Dr. Tobias' Venetian Liniment is a certain cure, if taken in time. Now, Mothers, we appeal to you. It is not for the paltry gain and profit we make, but for the sake of the infant child that now lies playing at your feet. Croup is a dangerous disease; but use Dr. Tobias' Venitian Liniment in time, and it is robbed of its terrors. Always keep it in the house; you may not want it to-night, or to-morrow, no telling when—but armed with this Liniment you are prepared, let it come when it will. Price 25 cents a bottle. Sold by all druggists. Office, 56 Cortlandt street N. Y. [May 11, 1864-1m.

Lumber Dried by Superheated Steam.

THE undersigned respectfully informs the people of Clearfield and the adjoining counties that he has the agency of the above Patent, and will sell Individual, County and Township rights for its use. The Lumber dried by this process is stronger, finishes better, i easier on tools, and requires less time in drying than any other process known—and drying 1 inch lumber perfectly in 36 hours, and better than many months under the old system—using the same amount of fuel per day that a coommon kiln consumes. The certificates of a number of resident mechanics, well known in this community, is amply sufficient to convince the most skeptical of its practical utility. YELLOW FEVER, BILLIOUS FEVER, &c.

These suffering from broken Down and Delicate Constitutions, from whatever cause, either in Male or Female, will find in Hoofland's German Bitters, a Remedy that will restore them to their usual health. Such has been the case in thousands of instances, and a fair trial is but required to prove the assertion.

Remember that these Bitters are NOT Alcoholic, and NOT intended as a Beverage.

The proprietors have thousands of Letters from the most eminent Clergymen, Lawyers, Physicians and Citizens, Testifying of their own personal knowledge, to the beneficial effects and medical virtues of these Bitters.

From Rev. J. Newton Brown, D. D., Editor of the Encyclopedia of Religious Knowledge.

Although not disposed to favor or recommend Patent Medicines in general, through distrust of their ingredients and effects, I yet know of no sufficient reason why a man may not testify to the benefits he believes himself to have received from any simple preparation, in the hope that he may thus contribute to the benefit of others.

I do this the more readily in regard to Hoofland's German Bitters, prepared by Dr. C. M. Jackson, of this city, because I was prejudiced against them for many years, under the impression that they were chiefly an alcoholic mixture. I am indebted to my friend Robert Shoemaker, Esq., for the removal of this prejudice by proper tests, and for encouragement to try them, when suffering from great and long continued debility. The use of three bottles of these Bitters, at the beginning of the present year, was followed by evident relief, and restoration to a degree of bodily and mental vigor which I had not felt for six months before, and had almost despaired of regaining. I therefore thank God and my friend for directing me to the use of them.

J. NEWTON BROWN.

Philadelphia, June 23, 1861.

Diseases of Kidneys and Bladder, in Young or Aged, Male or Female, are speedily removed, and speedily restored to health.

Delicate Children—those suffering from Marasmus, wasting away, with scarcely any flesh on their bones, are cured in a very short time; one bottle in such cases, will have a most surprising effect.

Parents having suffering children as above, and wishing to raise them, will never regret the day they commenced with these Bitters.

Literary men, Students, and those working hard with their brains, should always keep a bottle of Hoofland's Bitters near them, as they will find much benefit from its use, to both mind and body, invigorating and not depressing.

It is not a Liquor stimulant, and leaves no prostration.

ATTENTION, SOLDIERS,

And the friends of Soldiers.

We call the attention of all having relations or friends in the army to the fact that "Hoofland's German Bitters" will cure nine-tenths of the diseases induced by exposures and privations incident to camp life. In the lists, published almost daily in the newspapers, on the arrival of the sick, it will be noticed that a very large proportion are suffering from debility. Every case of that kind can be readily cured by Hoofland's German Bitters. We have no hesitation in stating that, if these Bitters were freely used among our soldiers, hundreds of lives might be saved that otherwise would be lost.

The proprietors are daily receiving thankful letters from sufferers in the army and hospitals, who have been restored to health by the use of these bitters, sent to them by their friends.
