EPISCOPAL CHURCH.

By divine permission the Rt. Rev. Wm Bacon Stevens, Assistant Bishop of the Diocese of Pennsylvania, will hold service in St Andrews Church, Clearfield, on Sunday, the 17th day of June, at 10½ o'clock a. m., and at 6 o'clock p. m., and will remain over Monday for visitation &c. And will hold service in Philipsburg, on Tuesday the 19th inst.

A CARD.

EDITORS OF THE REPUBLICAN:—Allow me the use of your columns to nail a calumny, which is being extensively circulated throughout this county to prevent my nomination for Sheriff. I am informed that the friends of other candidates are telling that I am a war man. It is false. I am not nor never was in favor of this war. I am now, and have been from its commencement, opposed to it.

I here plant myself distinctly on the record for peace, and whether nominated or defeated, I shall stand by it. E. D. HALL.

☞Gold went up to somewhere between two dollars and eighty cents and three dollars premium in New York on Friday last, and on the receipt of the repeal of the new gold bill, it fell to 225.

THE FOURTH.—This anniversary of our late national independence was allowed to pass without any official observance by the citizens of this place. We hear of some efforts to celebrate the day in various parts of the county; but none of them partake of the spirit of the days that are gone. Nor is it strange that this should be the case. We now possess only the shadow of what was once the glorious substance.

THE "ACE."—The Philadelphia *Age* seems to grow in interest, both as a medium of current news, and as an advocate and expounder of sound Democratic doctrines. The Genuine *Age*—the prospectus of which will be found in another column—will be of vast service in the present contest, and should be liberally encouraged.

To keep pace with the "good times" with which the Abolitionists are now blessing the country, the proprietors give notice that the subscription price of their Daily paper, will hereafter be *ten dollars* per year.

THE PRIMARY ELECTION.—For the information of all concerned, we re-insert the call of the County Committee for holding the Primary Election, together with the Rules of the party relating thereto, and the names of the several Committees of Vigilance.

We trust that no Democrat will fail to remember that next Saturday is the day appointed for holding this election, and that every man of them will attend in person. The candidates for Assembly, And for and Coroner, have no opposition. The contest for Sheriff is quite animated. We have only to say to the Democrats of the county that it matters not for which of the candidates they vote, they can't make a mistake, as they are all first rate men, and sound Democrats.

PRIMARY ELECTION

In obedience to the requirements of Rule 4th for conducting the Primary Elections of the Democratic party of Clearfield county, the Democrats of the several Boroughs and Townships are required to meet at the election house in each district on *the Second Saturday of July next* (being the 9th day of the month) at such hour as shall be named by the Vigilance Committee for each separate district, and to close at such hour as said Committee shall name—for the purpose of expressing, by ballot, their choice of candidates for the respective offices to be filled in October.

The following rules 5th and 6th are given for the information of those concerned.

RULE 5TH.—No person shall be permitted to vote at such Primary Election, except those who have voted with the Democracy at the preceding general election, or shall be of known Democratic standing, and no candidate shall be placed upon the return unless he shall have been such a candidate in control in the Democratic papers during at least *three* weeks preceding the primary election.

RULE 6TH.—The Township Committee or the Election Board shall designate one of their number to act as return judge, whose duty it shall be to take charge of the returns of votes cast, after having been duly certified to as being correct, and signed by a majority of the Board, and carry them to Clearfield Borough on the Tuesday fall wing the election and produce them at 3 o'clock, p. m., in the Court House, when said judges will be called to order by the chairman of the County Committee, who shall preside.—The votes shall then be counted and the persons receiving the highest number of votes cast at said election, shall be declared nominated for the respective offices for which they have been voted for; provided, persons voted for shall have complied with the requirements of rule 5th; in case the person having the highest number of votes has failed to comply with said rule, then the person having the next highest number of votes shall be declared the nominee for said office.

HOOFLAND'S GERMAN BITTERS WILL GIVE YOU

Those suffering from Broken Down and Delicate Constitutions, from whatever cause, either in Male or Female, will find in Hoofland's German Bitters a Remedy that will restore them to their natural health. Such are, from the ease in thousands of instances, and a fair trial is but required to prove the assertion.

Remember that these Bitters are NOT Alcoholic, and NOT intended as a Beverage.

The proprietors have thousands of Letters from the most eminent Clergymen, Lawyers, Physicians and Citizens Testifying of their own personal knowledge to the beneficial effects and medical virtues of these Bitters.

From Rev. J. Newton Brown, D. D., Editor of the Encyclopedia of Religious Knowledge.

Although not desirous to advertise or recommend Patent Medicines in general, through distrust of their ingredients and effects, I yet know of no sufficient reason why a man may not testify to the benefits he knows himself to have received from any simple preparation, in the hope that he may thus contribute to the benefit of others.

I do this the more readily in regard to Hoofland's German Bitters, prepared by Dr. C. M. Jackson, of this city, because I was prejudiced against them for many years, under the impression that they were chiefly an alcoholic mixture. I was induced to try them by my friend Robert Shoemaker, Esq., for the removal of this prejudice by proper tests, and for the encouragement to try them, when suffering from great and long continued debility. The use of three bottles of these Bitters at the beginning of the present year, was followed by evident relief, and extended me to a degree of bodily and mental vigor which I had not felt for six months before, and had almost despaired of regaining. I therefore thank God and my friend for directing me to the use of them.

J. NEWTON BROWN
Philadelphia, June 27, 1861.

Diseases of Kidneys and bladder, in Young or Aged, Male or Female, are speedily removed, and speedily restored to health.

Delicate Children—those suffering from Marasmus, wasting away, with scarcely any flesh on their bones, are cured in a very short time on Hoofland's German Bitters, and have a most surprising effect.

Parents having suffering children anywhere, and unwilling to take them, will never regret the day they commenced with these Bitters.

To every man, mechanic and those working hard with their hands, should always keep a bottle of Hoofland's Bitters near them, as they will free such beings from an eye, to both mind and body, invigorating and not depressing.

It is not a liquor stimulant, and leaves no prostration.

ATTENTION, SOLDIERS,

And the friends of Soldiers.

We call the attention of all having relatives or friends in the army or the fleet that "Hoofland's German Bitters" will cure nine-tenths of the diseases incident to camp life. In the field, and almost daily in the newspapers, on the arrival of the sick, it will be noticed that a very large proportion are suffering from debility. Every one of that suffering can be cured by Hoofland's German Bitters. We have no hesitation in stating that, if these Bitters were freely used among our soldiery, hundreds of lives might be saved that otherwise would be lost.

The proprietors are daily receiving thankful letters from sufferers in the army and hospitals, who have been restored to health by the use of these Bitters, sent to them by their friends.

BEWARE OF COUNTERFEITS!

See that the signature of "C. M. JACKSON" is on the WRAPPER of each Bottle.

Price per Bottle 75 cents,
Or half dozen for $3.

Should your nearest druggist not have the article, do not be put off by any of the intoxicating preparations that may be offered in its place, but send to us, and we will forward, securely packed, by express.
