A Word to Democrats.

We assure our Democratic friends of Clearfield that the prospect of carrying the State on Tuesday next, was never brighter. Nothing but the basest of frauds, or the most outrageous system of terrorism, can defeat such a result. The Abolition leaders know this, and hence their threats about soldiers, drafts, martial law, &c.

Changes in fever of the Democracy are taking place daily in all parts of the State; and there are no changes anywhere against us. Our success in October, therefore, is beyond a doubt, if Democrats everywhere do their duty. We are sure they will, because they know this is "THE ONLY HOPE" of the country.
