The subject of this notice was one of the Fort Mifflin prisoners, who was discharged on Tuesday, the 8th inst., and has since arrived home in Fishingcreek tp., Columbia, county from whence he, with forty-five others, was so summarily taken on the 31st day of August last. We understand that quite a number of these political prisoners are held in confinement at Harrisburg, under the pretence of undergoing a trial, and the balance yet remain in Part Millin. These men have been incarcerated nearly eighty days, in a damp unhealthy cell, which is dripping with water from the arches over them, and its sides kept almost constantly wet. They are fast being ruined in health-becoming insane, deal, and so sillicted with rheumatism as to be crippled for life. No man, however sound in health, could long undergo such treatment. - These men have done nothing that they should receive such punishment. They should be treated as innocent persons until they are proven otherwise. Then, if at all, it is time to subject them to such brutal and disgraceful restment. We would not be guilty of treating dumb brutes as these men are treated. It is surprising that these men ment at the bands of this administration Mr. McHenry was released on the ground
