leaves the aview to
fall into disorder and THE undersigned, having removed his stee to the new building opposite the Union House, on Pine street, Glen Hope, Clearfield a, Pa., is now offering to the public The scrofulous contamination is you

riously caused by mercurial disease, low living, disordered digestion from unhealthy food, impure air, filth and filthy habits, the depressing vices, and, above all, by the venereal infection. Whatever he its origin, it is hereditary in the constitution, descending "from parents to children unto the third and fourth generation;" indeed, it seems to be the rod of Him who says, "I will visit the iniquities of the fathers upon their children." The diseases it originates take various names, according to the organs it attacks. In the lungs, Scrofula produces tabercles, ad finally Consumption; in the glands, a llings which suppurate and become ulc. ous sores; in the stomach and prices bowels, derangements which produce indigestion, dyspepsia, and liver complaints; on the skin, cruptive and cutaneous effections These, all having the same origin, require the same remedy, viz., parification and invigora-tion of the blood. Purify the blood, and these dangerous distempers leave you. With feeble, foul, or corrupted blood, you cannot have health; with that "life of the flesh" healthy, you cannot have scrofulous disease.

Ayer's Sersaparilla . . is compounded from the most effectual antidotes that medical science has discovered for this efflicting distemper, and for the cure of the disorders it entails. That it is far superior to any other remedy yet devised, is known by all who have given it a trial. That it does combine virtues truly extraordinary in their effect upon this class of complaints. is indisputably proven by the great multitude of publicly known and remarkable cures it made of the following diseases: King's READY-MADE CLOTHING. Evil, or Glandular Swellings, Tumors, Eruptions, Pimpies, Blotches and Sores, Erysipelas, Rose or St. Anthony's Fire, Salt Rheum, Scald Head, Cought from tuberculous deposits in the lungs, White Swellings, Debility, Dropsy, Neuralgia, Dyspepsia or Indigestion, Syphilia and Syphifitic Infections, Mercurial Disease :, Female Weaknesses, and, indeed, the whole series of complaints that arise from impurity of the blood. Minute reports of individual cases may be found in Aven's Ashrican Almanac, which is furnished to the druggists for gratuitous distribution, wherein may be earned the directions for its use, and como of the remarkable cures which it has made when all other remedies had failed to afford | ETC. relief. Those cases are purposely taken from all sections of the country, in order that every reader may have access to come one who can speak to him of its benefits from sersonal experience. Scrofula depresses the ital energies, and thus leaves its victime for more subject to disease and its fatal results than are healthy constitutions. Hence it tends to shorten, and does greatly shorten, store, the average duration of burnau life. The vast importance of these considerations has ed us to spend years in perfecting a remedy hich is adequate to its cure. This we now offer to the public under the name of Aven's Sansarannaa, although it is composed of ingredients, some of which exceed the test f Surmparilla in alterative power. aid you may protect yourself from the cuffering and danger of these disorders. We know the public have been deceived by many compounds of Sarsapurilla, that KEEP constantly on hand a large promised much and did nothing; but they will neither be deceived nor disappointed in this. Its virtues have been proven by abundant trial, and there remains no question of its surpassing excellence for the cure of the afflicting diseases it is intended to reach Although under the same name, it is a very different medicine from any other which has been before the people, and is far more effectual than any other which has ever been Because they can suit everybody; available to them.
