Publisher of the "*Clearfield Republican,*"
S. J. ROW,
Publisher of the "*Raftsman's Journal.*"

☞ The trial of the assassins is progressing at Washington. Stanton has had to yield to the pressure sufficient to permit the presence of newspaper reporters; but they are allowed to publish only such portions of the proceedings as the Judge Advocate designates. In all other respects it is a Secret Military tribunal, unknown to our laws and full of poison.

☞ The mudhole under the east window of our office is now as bad as ever, notwithstanding the fact that we called attention to its condition a month ago.—The stench that arises from its surface is enough to cause the cholera. We now give due notice that if it is not remedied within a reasonable time it will be returned a nuisance.

☞ The trial of Hon. Benj. G. Harris of Maryland, for disloyalty, before a Military Commission at Washington, closed on Friday last. The verdict had not been rendered. Mr. Harris was guilty of the crime of giving a dollar apiece to two paroled rebel soldiers who called at his house on their way home after Lee's surrender.

☞ Our thanks are due to our member of Congress for a copy of the report of the committee appointed to investigate the trade with the rebel States. As this is the first installment from our representative in Congress, we take pleasure in making the acknowledgement.

☞ The rise in the river last week—small as it was—enabled our river lumbermen to make a pretty general clean-out. Clearfield Creek was not so high, and our friends there were not so fortunate.

☞ The subscriptions to the 7.30 government loan amounted to $13,762,300 on Friday last. A pretty good day's work.

☞ The Pittsburg *Post* of Saturday last contained an account of the arrest, at Lake City, a place on the Clarion river, in Jefferson county, of Joseph Lansberry, the man who shot Cyrus Butler, in this county last fall. The account states that Lansberry had been working at the above named place ever since shortly after the shooting affair, but was not identified until recently, and that he was taken to Williamsport for trial.

We also find the above statement reiterated in the Brookville *Republican* of Saturday last, with the additional information that Mr. Vanvliet, who accompanied Butler when he attempted to make the arrest, had been subpœnied as a witness,—the court to be held at Williamsport in June next.

ACQUITTAL OF WM. GAINES.—The trial of Wm. Gaines, for the murder of his brother in Clinton County in the summer of 1863, took place in Bellefonte week before last, and resulted in his acquittal. He was first tried in Lock Haven, convicted and sentenced to be hung. A new trial was then granted, and a change of *venue* ordered by the Legislature, to Centre county.

☞ Those of our citizens who have money to invest in the 7.30 Government loan are referred to the advertisement of Jay Cook & Co., in another column, and also to the article from the *New Yorker.*

BOOTH vs. JOHN BROWN.—There is quite a coincidence between these two notorious murderes, relative to their capture. Both were driven to the wall by their pursuers, and both were shot while defending themselves—Booth's wound being mortal, and that of John Brown being very painful though not mortal, and he was compelled to limp to the gallows with an unhealed wound, he not being as lucky as Booth.—Both were bold, brave, and bad men, who conspired against the laws of their country.

☞ Advices of the 22d ult., from Brownsville, Texas, confirm the report that the republican troops have captured the city of Monterey, Mexico. Reinforcements of imperial troops had arrived at Matamoras, to assist in repelling the attack on that town of the republicans under Cortina.

☞ The new military establishment of the United States will, be an army of about one hundred and fifty thousand men divided into four corps; one of regulars, one of white volunteers, and two of negroes.

☞ Shad are caught in the Susquehanna river near Sunbury. One, weighing 14lbs, was sold in Sunbury for $5.

☞ The seat of justice of Snyder Co., has been removed from Middleburg to Selinsgrove.

GOOD ADVICE.—A delegation of negroes, headed by a D. D., whether white or black is not stated, made a formal call on President Johnson the other day. In reply to their salutation he did not fail to give them some very good advice. Among other things he told them that freedom meant the privilege for a man to work and take care of himself and family, and not to depend upon the charity of the Government. He also expressed the wish that the time might speedily come when all negroes shall be removed to a country of their own.

THE HISTORY OF

PROTESTANT PRIESTCRAFT

IN

Europe & America.

IS NOW BEING PUBLISHED IN CONSECutive numbers of the *Banner of Light,* (an independent weekly newspaper, published by G. J. BEEBE, at Middletown, Orange county, N. Y., at $2 per year, payable in advance). Back numbers, or supplements, containing the chapters already published, will be furnished to subscribers. This History contains a full exposure of Popular Delusions relative to the pretended "Reformations" under Calvin and Luther, Henry VIII., Cranmer and Cromwell, by a truthful history of their rise, progress and persecutions in Europe, down to the emigration of the Pharisaic Puritans to America—An account of their persecutions of Baptists, Quakers, Catholics, and other Dissenters in New England, the Blue Laws and Witchcraft—Persecutions of Dissenters from the State Religion in Virginia prior to the Revolution of 1776—The severance of Church and State at the formation of the United States Government, opposed by the popular clergy of that day—Their efforts and those of their progeny, to restore political power to the clergy, by an attempted union of Church and State—the Constitution of the United States, and most of the States, in the way, and the consequent conspiracy of the clergy to overthrow our former happy system of free government—the various means employed from the first perversion of Sunday schools, and the Anti-Sunday Mail movement, down to the seizure and subversion of the common schools, academies and colleges, from institutions of learning to engines of ignorance for the enslavement of the minds of the rising generations to the degrading dogmas of the clergy—the rise and results of Native Americanism, Maine-Lawism, Know Nothingism, Abolitionism, and the various other fanaticisms of Priestcraft.

All should subscribe, who wish to acquaint themselves with historical facts of the greatest value at the present time, or to arm themselves with arguments to oppose Puritanic Priestcraft, which, in addition to all other curses it has inflicted upon our country, has now involved us in the most terrible sectional war, and threatens to follow it with a sectarian crusade far more awful, unless arrested by the dissemination of documents exposing its character and objects, such as the author has sought to make this history useful in accomplishing. Priestcraft is therein proved to be alike antagonistic to the true Christian religion, popular liberty, and the public peace and prosperity; and the political clergy are also proven to be servants of Satan, instead of ministers of the Prince of Peace, and their influence "evil, and only evil continually." Patriots will find a perusal of its pages of great advantage in enabling them to fight the hydra-headed monster that must be slain before we can hope for peace and a restoration of civil and religious liberty in our country.

This History will also soon be published in book form, with paper covers at 1$, and in good cloth or skin covers at $1 50 to $2. At these prices it will be sent to any address in the United States, postage free. Every intelligent patriot should have a copy, and after reading lend it to his friends and neighbor.

Wests', Bradley & Cary, (late J. I. & J. O. West,) Sole Proprietors and Manufacturers, 97 Chambers and 79 and 81 Reade Streets, New York.

THIS INVENTION consists of DUPLEX (or two) Elliptic Steel Springs, Ingeniously Braided Tightly and Firmly together, edge to edge, making the toughest, most flexible, Elastic and Durable Spring ever used. They seldom Bend or Break like the Single Springs, and consequently Preserve their Perfect and Beautiful Shape Twice as Long as any other Skirt.

The Wonderful Flexibility and Great Comfort and Pleasure to any Lady wearing the Duplex Elliptic Skirt will be experienced particularly in all Crowded Assemblies, Operas, Carriages, Railroad Cars, Church Pews, Arm Chairs, for Promenade and House Dress, as the Skirt can be folded, when in use, to occupy a small place as easily as a silk or muslin dress.

A Lady having enjoyed the pleasure, comfort, and great convenience of wearing the "Duplex Elliptic Steel Spring Skirt" for a single day, will never afterwards willingly dispense with their use. For Children Misses, and Young Ladies they are Superior to all others.

They are the best quality in every part, and Unquestionably the Lightest, Most Desirable, Comfortable and Economical Skirt ever made.
