

A CARD.

To my Friends in Clearfield county: Having been solicited by many of my friends to be a candidate for the nomination for the office of Register & Recorder, &c., and being aware that it has heretofore been customary that when the Chief gave general satisfaction to concede the second term, and believing the present incumbent has done so, I therefore, hereby decline being a candidate at the present time.

Yours, &c., J. B. SHAW. Lawrence township, June 19th, 1865.

John Brown was hung for attempting to arm the slaves of Virginia and use them for the execution of treacherous warfare on the Government—Jeff. Davis and Robert E. Lee both openly and earnestly advocated the arming of the same class for the same purpose. What is to save their necks from the halter?—Putnam's Journal.

Then why make a god of the one and devils of the others? Will ye answer this, ye deceitful hypocrites?

It is reported that the Southern Bishops of the Protestant Episcopal Church anticipate no difficulty in the way of fraternal re-union with their brethren of Northern dioceses at the meeting of the General (triennial) Convention in September next.

There is a young lady in Henry county, Missouri, not yet sweet sixteen, who is this year cultivating fifteen acres of corn. She does all the necessary work, including plowing, and has undertaken this piece of work to obtain money with which to educate herself.

We hope our patrons will excuse the lack of interest in our columns this week. The throng and bustle of the court is the cause of it.

MONEY LOST.—Was lost last Monday morning, at or near the late residence of Leonard Bunker, in Goshen township, FIVE HUNDRED dollars in paper money, and about FIVE dollars in gold and silver—the property of James Corley, (that by Mrs. Corley), the whole contained in a bankbook. The finder will be liberally rewarded by leaving the same with the publisher in Goschen township, and no questions asked.

JAMES CORLEY, June 21, 1865.

U. S. 7-30 LOAN. THIRD SERIES, \$230,000,000 !!!

By authority of the Secretary of the Treasury, the undersigned, the General Subscription Agent for the sale of United States Securities, offers to the public the third series of Treasury Notes, bearing seven and three-tenths per cent. interest per annum, known as the

7-30 LOAN! These notes are issued under date of July 15 and are payable three years from that date in currency, and are convertible on their maturity, at the option of the holder, into

U. S. 5-20 Six Per Cent. GOLD-BEARING BONDS!

These Bonds are now worth a handsome premium, and are exempt, as are all the Government Bonds, from taxes by Towns, Cities, Counties or States. This fact increases their value from one to three per cent. per annum, according to the rate levied on other property. The interest is payable semi-annually in currency on the 15th of December and 15th of June by Coupons attached to each note, which are readily cashed anywhere. It amounts to

- One Cent per day on a \$50 note.
Two Cents " " \$100 note.
Ten " " " \$500 note.
20 " " " \$1000 note.
\$1 " " " \$5000 note.

Notes of all the denominations named will be promptly furnished upon receipt of subscriptions. The Notes of this Third Series are precisely similar in form and privileges to the Seven Third Series already sold, except that the Government reserves to itself the option of paying interest in gold coin at 6 per cent. instead of 7 1/2 in this currency. Subscribers will deduct the interest in currency up to July 15th, at the time when they subscribe.

The delivery of the notes of this third series of the 7-30's will commence on the 1st of June, and will be made promptly and continuously after that date.

The slight change made in the conditions of this Third Series affects only the matter of interest. The payment in gold, if made, will be equivalent to the currency interest of the higher rate.

The return to specie payments, in the event of which only will the option to pay interest in gold be availed of, would so reduce and equalize prices that purchases made with six per cent. in gold would be fully equal to those made with seven and three tenths per cent. in currency.

This is the Only Loan in Market now offered by the Government, and constitutes the Great Popular Loan of the People.
