Sumner's Attack Upon Grant.

What General Lee failed to do, Mr. Charles Sumner, of Massachusetts. has undertaken to accomplish. The American people, who believe that the Republic owes something to the soldier who led our armies to final Subscription, in advance, if poid within six months, victory over the rebellion, will be edified by the modesty of the Massachusetts Senator who yesterday assailed, scrap-book in hand, the honor and veracity of Ulysses S. Grant!

General Grant has seen the South .-Mr. Charles Summer never has ventured beyond the line of our national tured beyond the line of our national bayonets arrayed for war. General Grant defeated the gallant armies which for four long years, held at which for four long years, held at which, for four long years, held at bay the whole power of the Union. Local notices, per line, Mr. Charles Sumner was ignominious. Obituary notices, over 5 lines, per line, Yearly advertising, I square, ly thrashed with a cane by a South Carolina representative, long since

dead and turned to dust. The hero of a hundred fights rebe entrusted with the control of their set up plain. Advertisements set in large type, own affairs. The victim of Mr. Preston Brooks, writhing still with an impotent lust of personal vengeance upon the innocent fellow-citizens of a rash and hasty man whom God has Bundbills, & sheet, 25, or less, removed from all human retribution. shricks out foul-mouthed abuse of the President, and clamors for the practical abolition of the Constitution and the Union.

Heaven forbid that we should insult the common sense and the patriotism of the American people with argument in such a case as this. Never were the Manand the Fanatic more sharply brought face to face than here. Gen. CLFARFIELD CO. DIRECTORY Grant fought to save the Union and the Constitution. Did the heroic Americans who fought under General 11 Monday in January, 3d Monday in Jurs, 4th Monday in Sept. Grant, and with him, fight to save of each year, and continue two weeks if necessary the welts and sears scored upon the broad back of Mr Charles Sumner by Pres't Judge-on. How NEGRO TROOPS WERE RAISED. Reg. & Rec. -It was stated by Mr. T. E. Lloyd, District Att'y, WM. M. McCullough President of the Board of Aldermen, Treasurer, in the remarks upon the subject of Commissioners, Thos. Dougherty, negro suffrage, in the Washington City Council at a late meeting of that Auditors, body that the most of the negroes who went from the District of Columbia into the army "were taken possession of by men of their own color, and sold into the service of the United States,' and it was added by Mr. Gu- Beccaria, lick that "many of them were credited to the State of Massachusetts." From Bell, the extended remarks of Mr. Lloyd, as published in the Intelligencer, we quote as follows:

Mr. Lloyd continued, and said all Bosgs. he had stated could be proven. The Bradford, negroes now most active for suffrage Brady, were not those who were in the service of the United States. How was Bornside, the first negro regiment raised here? Chest, A company of colored troops paraded the streets, followed by a large number of idle colored people. The company halted in front of the Treasury Department, and at the word of com- Covington, mand each soldier seized an idle negro and carried them to Analostan Island, and thus the first regiment was started. Yet, to these resident negroes is ascribed the greatest praise, while Ferguson, scarcely a company was in the service. Girard,

One of the great arguments was, "
the services rendered by the negroes Geshea, during the war. On an occasion of Graham, Guelleh, this kind, when it was asserted that Beccaria, negroes, out of a population of 15,000 Hesten, had furnished 6,000 soldiers, and that Jordan, the whites, out of a population of 60,- Kanhaus, the whites, out of a political soldiers, Knex, 000 had furnished but 1,500 soldiers, Merris, it became our duty to nail the lie to the mast. Of the negroes who were Penn, residing here in 1861 and 1862, when these troubles commenced, not one Pike, hundred entered the service of the Union, United States; but those who did go Woodward, were refugees and contrabands who came here to seek bread, and who were taken possession of by men of their own color, and sold into the service of the United States,—Baltimore Dep.
