

Tyrone & Clearfield R. R. Company. The following resolutions were adopted at a meeting of the Board of Directors, held 7th inst.

AUDITOR'S NOTICE.—In the Orphans Court of Clearfield county, Penn'a., in the matter of the estate of Isaac England, dec'd.

NOTICE.—All persons are hereby cautioned against harboring or trusting my wife, Mary Ann, on my account, as she has left my house and board without just cause or provocation.

Subpoena in Divorce.—In the Common Pleas of Clearfield county, Penn'a., No. 37 January T. 1866.

Subpoena in Divorce.—In the Court of Com. Margaret J. Rheem, Pleas of Clearfield Co. by her next friend J. Blake Walters, No. 239 Jan. T. 1866.

Subpoena in Divorce.—In the Court of Com. Margaret J. Rheem, Pleas of Clearfield Co. by her next friend J. Blake Walters, No. 239 Jan. T. 1866.

By agreement with the Bondholders the sale has been postponed, and the following proposal will be held open for your acceptance until March 20th, 1866.

The parties have agreed to appoint a Trustee, in whose hands shall be placed the stock by the Stockholders, and if all the stock is thus placed by the time named, the Trustee will then be placed in possession of an amount of Bonds to be taken up and canceled in exchange for the stock, equal at par to the value of nine-tenths of the Stock.

Should this be done, then the Bondholders agree to receive Stock at par from the hands of the Trustee—and for all proportions not divisible by ten in cash for the proportion, at the rate of three dollars per share.

W. J. HOWARD, one of your Directors, has been selected to act as your Trustee, to whom will be given your replies, and such Certificates of Stock as you may determine to send him, with power of attorney to transfer the same.

DEATH OF AN EDITOR.—John B. Jones, Esq., died at Burlington, N. J. on the 4th inst., aged 56 years. He was a native of Accomac county Va.

THE LEGISLATURE.—This body adjourned on Friday last, to meet on Tuesday the 27th. The members seem to have but little to do. In our opinion it would be well for the people of the State, if they would adjourn altogether, because the black Republican majority in both branches, are determined to put the negro a head. They talk vote and spend all their time in the interest of the "gentleman from Africa."

CONGRESS.—This fragmentary body is trying to do, that, which the Confederates tried for four years—dissolve the Union. They are destined to meet with a more disastrous defeat than the former, because they will be annihilated, and only remembered for their innumerable and cowardly crimes. Their whole time is consumed in the interests of the negroes. We are surprised at the Black Republican leader in this body—Stevens after a practical demonstration on his part, for over thirty years, to change a negro to a white man, he still continues in his course, with the fact staring him in face that the scheme is a total failure.
