Written for the "Republican."

TO MY MOTHER FAR AWAY.

BY MRS H C LEE.

Oh! I miss you dearest mother,
In the morn, at noon and night,
Once again, I hope to meet you,
'Ere time from us doth take its flight.
I trust that health and peace and comfort
Bless you in your distant let;
Remember, by your youngest daughter,
You will never be forgot.

Yes, I miss you dearest Mother,
Setting in the old arm chair,
I almost start to draw you forward,
But when I turn thou art not there.
And I hope that hands more tender,
In your new found home you've got;
By your youngest daughter, Mother,
You will never be forgot.

But I miss you most, dear Mother,
When our little Hortie comes,
Asking me in childish accent,
For to bring her Gammy home.
With her eyes so deep and mournful,
Asking me the reason why,
Uncle Frank and Aunt Maria,
Carried her dear Gammy 'way.

Yes, I miss you, dearest Mother,
And my heart is filled with pain,
When I think that we may never,
Never meet on earth again.
Let us try to live more faithful,
So when life with us is o'er,
We will mount up to that Heaven,
Where fov'd ones meet to part no more.

Oh! I miss you dearest Mother,
Every kind and gentle look,
I have locked up in memory
Like a precious sealed book.
Long as life and reason lasteth,
I'll think of you, my Mother dear;
Should sickness, pain or death o'retake me,
Then I'll wish my Mother near.

But I hope to meet you, Mother,
In that Holy land of rest,
Where we'll walk and talk with Jesus,
And sing the requiem of the blest.
Let us search the Holy Scripture,
Claiming every promise given,
So when life with us is o'er.
We will meet high up in Heaven.

Bower, April 12, 1866.

FOREIGNERS TO BE PUT DOWN BY

Every adopted citizen should examine the Negro "Civil Rights" bill and the Veto message thereon, and see how the disunionists have made a most outrageous and unjust discrimination against all foreigners and in favor of the negroes.

Every German, Irishman, Englishman, Scotchman, Welshman, or emigrant from any foreign country, no matter how intelligent, is required to wait five years before he can secure citizenship, and by showing that he is of good moral character, attached to the principles of the Federal Constitution, and well disposed to the order and happiness of this country. In addition to this, he must then swear to support the Government.

The "Civil Rights" bill does not alter or amend these requirements from foreigners, but it takes into immediate citizenship the whole negro population—with all its ignorance and degradation—without an "if" or a "but;" without proof of moral character, mental fitness, or attachment to the principles of the Government. No questions are to be asked the negroes, and no oaths, qualifications or requirements are to be demanded of them. The most ignorant and degraded negro in the South or North without knowing that there is such a thing as a Constitution and not caring whether there is or not—is thus, in an instant, without any requirement from him, granted privileges which the most intelligent foreigner must wait five years to secure, and then only at trouble, expense, proof of character, and the taking of the most solemn obligations.

Notwithstanding these odious discriminations against every class of foreigners, every so-called Republican newspaper in Pennsylvania now supporting John W. Geary for Governor, has declared in favor of the Negro "Civil Rights" bill, and expressed joy at its "passage" through the Rump Congress by disunion majorities! Intelligent adopted citizens can thus see the outcropping of that old Know Nothingism, which was the germ of the present mis-named Republican party. They can plainly see that this lightening citizenship conferred upon ignorant negroes is to neutralize their influence; and, even after undergoing their probation of five years, to deprive them of a fairly earned share in the government of themselves! Can any foreigner—of any nationality—support the candidate of such a party? We sincerely hope not.—*Pat & Union.*

AT WORK. The Cholera manufacturers are trying hard to get this epidemic introduced into this country, and we should not be supprised if they succeed in their undertaking.

THEORY OF GOSSIP.

We are often asked, "What is Gossip?" We answer, in a general way, it is talking of persons rather than things. Nothing shows the paucity of ideas more than this talking about the affairs of your neighbors. It is not only malicious people who originate scandal, it is narrow-minded people, ignorant people, stupid people. Persons of culture and intelligence are not so hard run for topics of conversation. They can usually find something to say about art, literature, fashion or society. The moment people begin to talk of their neighbors—of pers
