

GEORGE B. GOODLANDER, Editor.

WEDNESDAY MORNING, MAY 9, 1866.

FOR GOVERNOR
HIESTER CLYMER,
OF BERKS COUNTY.

A Loyal Discovery.

The disunionists in the Rump Congress, have been laboring zealously for some time, to defeat the reconstruction policy of President Johnson.

On last Wednesday the Senate hit, as they supposed, upon a grand scheme, by which they would succeed. When the Post Office Appropriation bill came up, a section was inserted, prohibiting the Treasury Department from paying any Post Master, appointed by the President, until after the appointment was confirmed by the Rump Senate.

This, soldiers, is the tyrant who asks your votes. Mine, for one, he will not get.

LOVES HIS COUNTRY.—Mr. Clarke, U. S. Senator from New Hampshire, made a speech a few weeks ago, in which he professed great love for his country.

MR. POLAND SAID HE WISHED TO MOVE A reconsideration of the amendment in relation to the President's appointing power.

STERN JUDGE.—The record of Mr. Stansbury, who has been appointed Judge of the Supreme Court by President Johnson, is not very satisfactory to the Negro bureaucrats.

AT THE BEGINNING OF THE WAR, he made an elaborate speech at a public meeting in Cincinnati, denying the right of the Government to resort to coercion.

FRY'S BUREAU.—We, last week, alluded to a debate in Congress between several loyal members, in reference to the corruptions of this ruderpest bureau.

JOHN MASS MEETING.—The Johnson National Club of Philadelphia, have determined to hold an early day, a grand Union demonstration in support of the President and his policy.

LOOKING FOR MORE.—The Rumps are expecting more vetoes soon, among them the Colorado bill.

EQUAL RIGHTS TO ALL MEN.—We find the foregoing popular phrase, in every opposition newspaper we pick up.

DEFEATED.—An election was held in Snyder county, last week, for the removal of the county-seat from Middleburg to Selinsgrove.

WHILE LINCOLN LIVED THE President was the Government. After his death Congress became the Government! So contend the radicals.

The "Situation"—"All's Well"

The disunionists of Pennsylvania are getting terribly scared, and are frantically crying aloud for "organization." "Geary clubs," &c., vary much in the "Help, Cassius, or Isink" style.

NOT ONLY ARE Geary's chances already pronounced almost hopeless, but fears are entertained and expressed by the disunionists that six members of Congress will be lost to them.

REMARKABLE IF TRUE.—It is stated apparently by authority, that Secretary Stanton, and the butcher Jo. Holt, have fallen in with the President's reconstruction policy.

ANOTHER STATE.—Congress last week, passed the bill—yes, 80, nays 56—admitting Colorado into the Union, as a State, making the thirty-seventh.

DEFEATED AGAIN.—That "loyal" General, Schneck, the hero of many unfought battles, among them Vienna, has again been worsted in his plans.

AWFUL!—"Occasional" Forney says: the heavy hand of Andrew Johnson is being laid upon every Union man, and used to lift up and strengthen traitors.

THE DEAD DUCK, says that the "government" is determined to "break up the great Union party."

THE NEGRO RIOT at Memphis Tenn., last week, was caused by the "colored gentlemen in blue" interfering with other peoples business.

MRS. JEFFERSON DAVIS, with two servants and her youngest child, has arrived at Fortress Monroe, and had interview with her husband.

The Darkies on the Rampage.

The colored population are beginning to feel their civil rights. We hear of four or five of them promening into a fashionable restaurant, sitting down among white ladies and gentlemen.

BUT PERHAPS THE most amusing instance of the civil rights furor is the presentation to the Senate of a petition, signed by a couple of dozen darkies, for the expulsion of Senator Davis, of Kentucky.

DISUNION.

REPORT OF THE DISTRICT COMMITTEE OF FIFTEEN.

A joint resolution, proposing an amendment to the Constitution of the United States.

BE IT RESOLVED, &c., That the following article be proposed to the Legislatures of the several States as an amendment to the Constitution, which, when ratified by three-fourths of the said Legislatures shall be valid.

SECTION 1. No State shall make or enforce any law which shall abridge the privileges or immunities of citizens of the United States.

SECTION 2. Representatives shall be apportioned among the several States which may be included within this Union, according to their respective numbers.

SECTION 3. Until the 4th day of July, 1870, all persons who voluntarily adhered to the late insurrection, giving it aid and comfort, shall be excluded from the right to vote for members of Congress and for electors for President and Vice President of the U. States.

SECTION 4. Neither the United States nor any State shall assume or pay any debt or obligation already incurred, or which may hereafter be incurred, in aid of insurrection or war against the United States.

SECTION 5. Congress shall have power to enforce, by appropriate legislation, the provisions of this article.

WHEREAS, It is expedient that the States lately in insurrection should, at the earliest day consistent with the future peace and safety of the Union, be restored to full participation in all political rights;

And whereas, Congress did, by joint resolution, propose for ratification to the Legislatures of the several States, as an amendment to the Constitution of the United States, an article in the following words, to wit:

Therefore, be it enacted, &c., That whenever the above recited amendment shall have become a part of the Constitution, and any State lately in insurrection shall have modified its constitution and laws in conformity therewith, the Senators and Representatives from such State, if found duly elected and qualified, may, after having taken the required oath of office, be admitted into Congress as such.

And be it further enacted, That when any State lately in insurrection, shall have ratified the foregoing proposed amendment to the Constitution, any part of the direct tax under the Act of August 5th, 1861, which may remain due and unpaid by such State, may be assumed and paid by such State, and the payment thereof, upon proper assurances from such State to be given to the Secretary of the Treasury of the United States, may be postponed for a period not exceeding ten years from and after the passage of this act.

Be it enacted, &c., That no person shall be eligible to any office under the Government of the United States who is included in any of the following classes, namely: First. The President and Vice Presi-

dent of the Confederate States of America, so-called, and the heads of departments thereof.

Second. Those who in other countries acted as agents of the Confederate States of America, so-called.

Third. Heads of departments of the United States, officers of the army and navy of the United States, and all persons educated at the military and naval academy of the United States, judges of the courts of the United States, and members of either House of the thirty-sixth Congress of the United States, who gave aid and comfort to the late rebellion.

Fourth. Those who acted as officers of the Confederate States of America, so-called, above the head of colonel in the army or master in the navy; and any one who, as Governor of either of the so-called Confederate States, gave aid or comfort to the late rebellion.

Fifth. Those who acted as officers or soldiers or sailors of the army or navy of the United States, captured during the late war, otherwise than as prisoners of war.

The Committee removed the injunction of secrecy, so far as the above propositions are concerned, and permitted copies to be furnished to the press. It is understood that the vote upon them was twelve against three.

BAD TREATMENT FOR A CONGRESSMAN.—The Pittsburg Gazette says: A few months ago Mr. C. V. Culyer was a universal favorite in the district in which he lived.

THE CITIZENS OF Franklin have suffered more severely than those of any other locality by the failure.

RAIL ROADS.—We clip the following Rail Road information from the last Allentown Democrat:

THE NEW DISPENSATION.—The New York Christian (?) Advocate says: "The negro is the coming man. The church that shall now secure to itself the colored population of the country, will make sure of a great power for the future."

It is said that Col. Richard Coulter, of Westmoreland county, will be placed in nomination as the Republican candidate for Governor of this State by the Convention to meet at Pittsburg, on the Fourth of July.

AN EXCHANGE paper, under the head of "good advice," advises young men to "wrap themselves up in their virtue."

EXPLODED.—On Thursday last, a torpedo exploded at Sullivan's Island, in Charleston harbor, throwing up an immense quantity of water.
