Something New. G. SUMMERFIELD FLEGAL, Manufacturer of Tin and Sheet Iron ware, Philipsburg, Penn'a.

I would respectfully inform the Public, that I have opened a room in the borough of Philipsburg, for the manufacture and sale of Tin Ware out of the best material the market will afford, and made by experienced workman, all of which I will sell at either wholesale or retail prices surprisingly low. I ask those in need of anything in this line to call and examine my ware and satisfy themselves that it is made for use. Country Merchants desiring to purchase small lots of Ware will find it to their advantage to buy of me.

Stores of all sizes and shapes, for burning either Wood or Coal. I would call particular attention to that well tried and popular Cooking Stove called, very appropriately, the IRON SIDES. This Stove has all the advantages possessed by others, besides the oven is larger, and the ash pit deeper and more top surface than that of any other Stove in the market, and is without a rival. I also keep on hand all kinds of

Store Pipe which I will sell as low as it can be had re-chased west of the mountain. I also keep constantly on hand, shovels, carriage bolts, grates, firebricks, stove iron, lined soles, Waffle Irons, Street Zink, Sad Irons, Brass and Porcelain Kettles, together with a variety of wares too numerous to mention. Also a large stock of the best kind of Stoneware.

And last though not least in my line of business, is that of Spouting. I am prepared to fill all orders in this line on short notice, and manufactured out of the best material. I want every body that comes to town, to come and take a look at my show, and see for themselves. I am going to sell the cheapest and best Wares ever offered in this vicinity. I have several "Tropic Heating" and "Farrier Cook" Stoves that I will sell at cost, to close out the stock for the season. Try me. Feb 7th 1866-tf. G. S. FLEGAL.
