# HOW TO SAVE MONEY

The times are hard; you'd like to know How you may save your Dollars; The way to do it I will show, If you will read what follows.

A man who lived not far from kere, Who worked hard at his trade; But had a household to support, That squandered all he made,

I met him once, says he, "my friend, I look threadbare and rough ; I've tried to get myself a suit, But can't save up enough.

Says I, my friend, how much have you? I'll tell you where to go, To get a suit that's sound and cheap— At REIZENSTEIN'S and Co.

He took what little he had saved, And went to Reizenstein & Brothers And there he got a handsome suit, For half he paid to others.

Now he is home, he looks so well; And their effect is such, That when they take their daily meals, They don't eat half so much.

And now he finds on Saturday night With all their wants supplied; That he has money loft to spend,

And some to lay aside.

His good success, with cheerful smile,
