HOW TO SAVE MONEY.

The times are hard; you'd like to know how you may save your Dollars; The way to do it I will show, If you will read what follows.

A man who lived not far from here, Who worked hard at his trade; But had a household to support, That squandered all he made.

I met him once, says he, "my friend, I look threadbare and rough; I've tried to get myself a suit, But can't save up enough."

Says I, my friend, how much have you? I'll tell you where to go, To get a suit that's sound and cheap— At REIZENSTEIN'S and Co.

He took what little he had saved, And went to Reizenstein & Brothers And there he got a handsome suit, For half he paid to others.

Now he is home, he looks so well; And their effect is such, That when they take their daily meals, They don't eat half so much.

And now he finds on Saturday night With all their waste supplied; That he has money left to spend, And some to lay aside.

His good success, with cheerful smile, He gladly tells to all; If you'd save Money, go and buy, Your clothes at Reizenstein Clothing Hall.

Where the cheapest, finest, and best Clothing and good furnishing goods can be had to suit every taste and in every style.

Something New.

G. SUMMERFIELD FLEGAL,

Manufacturer of Tin and Sheet Iron ware,
Philipsburg, Penn'a.

I would respectfully inform the Public, that I have opened a room in the borough of Philipsburg, for the manufacture and Sale of

Tin Ware

of the best material the market will afford, and made by experienced workman, all of which I will sell at either wholesale or retail prices surprisingly low. I ask those in need of anything in this line to call and examine my ware and satisfy themselves that it is made for use. Country Merchants desiring to purchase small lots of Ware will find it to their advantage to buy of me.

Stores

of all sizes and shapes, for burning either Wood or Coal. I would call particular attention to that well tried and popular Cooking Stove called, very appropriately, the IRON SIDES. This Stove has all the advantages possessed by others, besides the oven is larger, and the ash pit deeper and more top surface than that of any other Stove in the market, and is without a rival. I also keep on hand all kinds of

Stove Pipe

which I will sell as low as it can be purchased west of the mountain. I also keep constantly on hand, shovels, carriage bolts, grates, firebrick, stove linings, sled soles, Waffle Irons, Sheet Zinc, Sad Irons, Brass and Porcelain Kettles, together with a variety of wares too numerous to mention. Also a large stock of the best kind of Stoneware.

And last though not least in my line of business, is that of

Spouting.

I am prepared to fill all orders in this line on short notice, and manufactured out of the best material. I want every body that comes to town, to come and take a look at my show, and see for themselves. I am going to sell the cheapest and best Wares ever offered in this vicinity. I have several "Tropic Heating" and "Parlor Cook" Stoves that I will sell at cost, to close out the stock for the Season. Try me.
