Each President, in my remembrance, has had peculiarities. Mr. Pierce for instance, was a most courteous gentleman. Buchanan was, in manner as in heart, an iceberg.

PHOTOGRAPHER.—D. McGAUGHEY, having purchased the Photograph establishment formerly conducted by H. Bridge, would respectfully announce to the citizens of Clearfield and adjoining counties, that he has recently made additional improvements to both sky-light and apparatus, and he flatters himself that he can satisfy the most fastidious taste in a rapid and lifelike likeness.

He also keeps constantly on hand a good assortment of Gilt, Rosewood, and Walnut frames of all sizes and styles—and an endless variety of casts, lockets, etc. which he will dispose of at very moderate prices, for cash. His gallery is in Shaw's row, (op stairs), Market street, Clearfield, Pa. where he is always ready to accommodate customers who may be in want of a good likeness of themselves or friends. \$90 A Month!—Agents wanted for six months. Agents in every town, for the sale of the following valuable goods: U. S. GARY, City Building, Biddford, Me. May 16, 1866.

\$1,500 Per Year!—We want Agents everywhere to sell our improved No. 2 Sewing Machines. Three new kinds. Un-derstand circulars sent gratis. Warranted paid. The extra machine sold in United States for less than \$10, which is fully justified by Howe, Wheeler & Wilson, Grover & Baker, Singer & Co., and Bacheelder. All other cheap machines are inferior to the above, and are not to be compared with them. Address, or call upon, Shaw & Clark, at Biddford, Maine, or Chicago—III. May 16, 1866—1y.

It will be observed from the foregoing table that the Democracy of this county have again achieved an improved victory over their enemies.

The full returns will no doubt show a majority of about 1,125, to 775 for Auditor General last year; being an increase of 350 in our majority over the negro bureau candidates.

We have delayed our paper one day in order to get returns that would be satisfactory; but the returns from the State at large are so indefinite, that at this time we cannot form a definite conclusion as to the result.

The Bureau journals claim the State by from 15,000 to 25,000, and a gain of two Congressmen—Coke in the Schuylkill and Lebanon district, and "Glory to God" Covode, in the Indiana district.

This statement may all be true, but it is none the truer because they so state it. As election returns, like all other practical matters, prove themselves at the proper time, we are content to wait and see.

DEATH OF ADMIRAL GREGORY.—Rear Admiral Gregory, of the American navy, one of the most distinguished officers in the service, died yesterday in Brooklyn, N. Y., of inflammation of the bowels. The Admiral was born in Connecticut, and at the time of his death was seventy-seven years of age. He entered the service in 1808, and served in the war of 1812 as a lieutenant, and distinguished himself on the lakes. He also served during the Mexican war as commander of the Raritan frigate. During the late war he was superintendent of iron-clad vessels of war. He had been fifty-five years and eleven months in the service of his country. Admiral Gregory at the time of his death was the third in rank on the retired list. He possessed rare qualities as a captain, and none was more respected and revered in his profession.—Baltimore Sun.

MODERN PATRIOTS.—We published yesterday a manifesto from Parson Brownlow that showed he was as thoroughly imbued with the spirit of proslaveryism and rebellion as any man in the South. Gen. Grant and Col. Stokes were soldiers of the rebellion, and Governor Hamilton sought to raise a rebel company. Yet they are loud-mouthed champions of Radicalism, welcomed and feted throughout the North. It is not the fact, then, of having been rebels that is the unpardonable sin of rebellion, but the fact of opposing the vagaries of Radicalism. Even the soldiers who fought for the Union are, with President Johnson, denounced as traitors, while such men as Brownlow and Hamilton and Huncutt, men who, in ordinary times, would be spurned by an honorable constituency, are put forward as unselfish patriots and immaculate Unionists.

A man inquired at the post-office in Erie, N. Y., the other day, for a letter for "Emory Hogden." He was told there was none. "Look ere," he replied, a little angrily, "you've hexamined a hodd letter for my name. It don't commence with a hatch! It begins with a ho! Look in the ole that's got the ho!"

The wealthy Radicals of Pittsburgh ask the State for \$180,000 expenses incurred on earthworks to keep off the rebels. The poor and middling classes who gave days' labor ask for no compensation.

The ANSWER.—We are asked, by some of the intolerants, if we "approve of the cruelties inflicted by the South upon the northern prisoners of war?"

We do not approve of the abominable lies which the abominable Abolitionists have suborned witnesses to swear to on that subject. The official documents show that during the war 261,000 prisoners were taken by the South—of which 22,500 died. The North took 200,000—of which 26,500 died. That is, two prisoners out of twenty-three died in southern pens, while two out of fifteen died in northern pens. That fact sufficiently answers the incomprehensible lies of the Abolition press. The truth is, that the Abolitionists have made a record of theft and barbarity which they would be glad to lie off of their own shoulders.

Mr. Jas. W. Carter, residing near Athens, Ala., shot and severely wounded last week, a negro, who was attempting to murder him with an axe.

THE EAGLE HOTEL, CURWENSVILLE, PA.

L. W. TEN EYCK, PROPRIETOR.

His table will be furnished with every kind of the market affords.

He has also in his possession a GOOD STABLE attached, and none but careful bootlers employed. Jyl-1f L. W. TEN EYCK.

A PROCLAMATION!! GOING IT ALONE!!! Nobody Prohibited from buying my Boots and Shoes on account of Race or Color.

Being thus liberal minded, I take this method of informing the citizens of Clearfield and vicinity, that I have opened a shop on Second St., Washington, Pa. where I am prepared to make to order anything in the BOOT and SHOE line, out of the best material and in the most workmanlike manner, and on short notice. All I ask is a trial. Done at Clearfield, this eighteenth day of July, A. D. 1866. HARRY ROSS.

CLEARFIELD ACADEMY.—The exercises of this Institution will be resumed on Monday, the 10th day of September, A. D. 1866. Pupils can enter at any time. They will be charged with tuition from the time they enter to the close of the session.

The course of instruction embraces every thing included in a thorough, practical and accomplished education for both sexes.

The Principal, having had the advantage of much experience in his profession, assures parents and guard that his entire ability and energies will be devoted to the moral and mental training of the youth placed under his charge.

TERMS OF TUITION. Orthography, Reading, Writing, and Primary Arithmetic, per Session (11 weeks) - \$5 00 Grammar, Geography, Arithmetic, and History - \$6 00 Algebra, Geometry, Trigonometry, Mensuration, Surveying, Philosophy, Physiology, Chemistry, Book Keeping, Botany and Physical Geography - \$9 00 Latin and Greek, with any of the above Branches - \$12 00

No deduction will be made for absence. For further particulars inquire of Rev. P. L. HARRISON, A. M., Clearfield, July 11, 1866 1y. Principal.

Press—We call the attention of our patrons and others, to the advertisement of Mr. Fariera, in another column. He is one of the oldest fur dealers in the city. Mind the place, 718 Arch street, south side, above seventh.

Hon. John B. Steele, late Congressman from the 13th district of New York, was killed at Kingston, in that State, on Monday, by his horse running off, and throwing him from his buggy.

A GOOD INSTALLMENT.—The Secretary of the Treasury, last week, required a "conscience" package, post-marked Urbana, Ohio, containing six hundred \$1,000 7-30 Treasury bonds, and 75 in greenbacks—making \$16,775.

There was nothing accompanying it to indicate who it was from, or how it was obtained from the Government.

It was evidently not from Best Butler, unless he intends to pay this amount in monthly installments the balance of his life.

You Ready.

The new Map of this county, prepared and published by Mr. Pomeroy, of Philadelphia, will be ready to deliver to subscribers by the 1st of November. The agents will deliver from the 1st to the 10th.

Mr. Pomeroy's maps need no special recommendation at our hand, as in the preparation of maps for other counties, he has amply illustrated his ability to produce the best executed maps ever offered to the public.

We hope every householder in the county, able to raise \$8 between the 1st and 10th of November next, will procure a map of this county. If this is done, we think that in the future those seeking popular favors will be enabled to ascertain, at a bird's eye view, where this and that borough and township is located; in short, every farmer, merchant, mechanic, raftman, and especially politician, should secure a copy of our county map.

The Late Dr. Thompson.

At a meeting of the Clearfield County Medical Society, convened September 25, 1866, the following named members, D. O. Crouch, R. V. Wilson and D. A. Fetzer, were appointed a Committee to draft resolutions expressive of the sense of the Society relative to the death of Dr. H. P. Thompson. The Committee reported the following resolutions, which were unanimously adopted:

Resolved, By the dispensation of a mysterious Providence, the President of the Society, H. P. Thompson, M. D., has been suddenly removed from his family, profession, and the community; therefore be it

Resolved, That in his death we recognize the hand of God—"whose ways are not as our ways"; and how in and submission to his sovereignty will, hereafter, That we can bear testimony to his worth and standing as a member of our profession; that he was ever ready to discharge the grave responsibilities which rested upon him in the discharge of his professional duties, always willing to minister to the suffering poor as well as the rich.

Resolved, That as a tribute justly deserved, we record our high appreciation of his worth and standing as a member of our profession; that he was prompt, devoted and careful in his avocation, courteous, honorable and candid in his intercourse with his fellow Physicians—ever feeling himself but the humble instrument of a Higher Power.

Resolved, That we tender to his family our deepest sympathies, on account of their irreparable loss in this afflictive dispensation.

Resolved, That these resolutions be published in the county papers, and a copy of the same be transmitted to the family of the deceased.

J. G. HARTSWICK, President. J. P. BURCHFIELD, Secretary.

HIGH PRICE OF PAPER.—Many persons wonder why the price of newspapers, books, &c., remains so high now that the war is over and gold has come down so far toward the old standard. They will learn one of the principal reasons by the following paragraph from the Springfield (Mass.) Republican:

"The Carey Paper Company of South Hadley Falls have declared a yearly dividend of 100 per cent. besides reserving a fund sufficient to build an addition to their mill. Last year the dividend was 120 per cent."

This simple paragraph tells the whole story. If paper makers cannot be satisfied with anything less than doubling their entire capital every year and adding 20 per cent. even to that, the people must try to be content with paying a high price for their reading.—N. Y. Observer.

REWARD OF MERIT TO AN INDIAN CHIEF.—President Johnson has caused to be prepared a silver medal and a certificate of merit, which, together with one hundred silver dollars, are to be presented to Ho-o-Ke-Op, a chief of the Blackfeet tribe of Indians, as a reward for his noble behavior in 1864 in rescuing a white woman from captivity. The certificate was engrossed on parchment in the office of Indian Affairs, and bears a vignette of the United States coat of arms, executed with the pen.
